ABOUT US

With over 16 years of experience, SUNGLASS is a trusted manufacturer of perfume and fragrance glass packaging, serving private label brands worldwide.

We specialize in OEM & ODM glass bottles for perfumes and reed diffusers, supported by stable large-scale production, in-house post-processing, and strict quality control systems.

Our operations are ISO 9001 certified and amfori BSCI audited, ensuring compliance with international quality, social responsibility, and ethical standards. These certifications allow our customers to work with confidence and meet the compliance requirements of the North American and global markets.

We work closely with our clients as long-term partners—providing reliable manufacturing, flexible customization, and consistent delivery to support brand growth from concept to market.

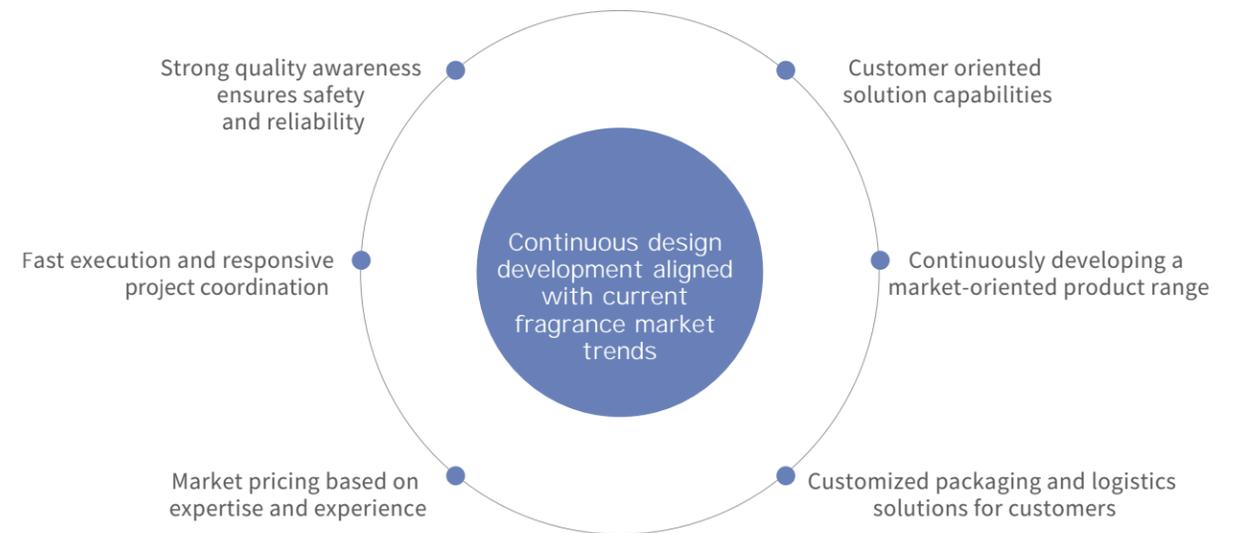

At SUNGLASS, quality, transparency, and responsibility are not just standards, but part of our daily operations.
