

ART LOFT LISBON – Art in Action House/Gallery é um ESPAÇO PRIVADO destinado à realização de EVENTOS EXCLUSIVOS, situado no Príncipe Real - Lisboa.

*“... for the **purpose of bringing true ART experiences to people...** from the gallery to the **NEW FORM OF GALLERY** through common gathering and eating together!”*

Orgulhosamente apresentamos o terceiro programa de **CONCERTOS JANTAR de JAZZ** criado por **LUÍS VICENTE** apresentando algum do melhor jazz, *avant-garde* e música contemporânea tocada na Europa.

Nosso conceito é simples:
Valorizar os Músicos - Valorizar o Público!

“Luís Vicente tem espalhado o seu talento em colaborações com inúmeros músicos nacionais e internacionais.

O trompetista, compositor e improvisador tem colaborado com projectos Fail Better!, Clocks & Clouds, Frame Trio, Vicente & Marjamaki, Twenty One 4tet, In Layers, Deux Maisons e What About Sam?, entre outros.

Mais recentemente integrou um quarteto que juntou nomes históricos do free jazz, William Parker e Hamid Drake“.

The Free Jazz Collective Reviews of Free Jazz and Improvised Music

Marcelo Dos Reis/Luis Vicente

“Reflecting upon last decade's musical influencers (The 10 BEST)

*We could have reviewed them separately, but the Portuguese guitarist Marcelo dos Reis and trumpeter **Luis Vicente** have created their own sound of modern improvised music, and this in various ensembles with different approaches and line-ups: free, cohesive, hypnotic and sensitive. With Chamber 4, they won our Happy New Ears Award for 2017, and they were runner-up in 2015. I could and maybe should also have added the brothers Théo and Valentin Ceccaldi, who also played with the two Portuguese in various ensembles.”*

The first album of CHAMBER 4 was considered: One of The Free Jazz Blog Collective's Top 101 Recordings of 2010S! ”

- Terceira programação dos CONCERTO JANTAR JAZZ e MÚSICA IMPROVISADA:

1 Fev - **CARREIRO** guitarra | **AGUIAR** piano | **VALINHO** percussão

7 Mar - **LUÍS VICENTE** trompete | **MOSTAFA ANWAR** voz, tambura, harmónio

28 Mar - **MARTA WARELIS** piano solo

Proporcionando momentos mais *íntimos* entre público e músicos, damos a oportunidade de além de OUVIR e ASSISTIR, de CONHECER melhor os músicos e as suas inspirações durante o animado JANTAR.

Pode sempre escolher seu album favorito ou sua pintura/ escultura na nossa galeria de arte. Este espaço, outrora uma cavaleriça(230m² e pequeno jardim), surge na vida cultural lisboeta com a vontade de despertar a mente e aguçar o interesse dos mais curiosos através de uma oferta cultural "servida" distante dos olhares das multidões, onde música e arte cohabitam em harmonia.

INGRESSOS INCLUEM o concerto, o jantar e as bebidas portuguesas: cerveja artesanal, vinhos alentejanos, e *ginginha*. Pede-se contenção no álcool. Não servimos álcool a menores. A partir das 20h. **A porta é encerrada às 21h.**

Quem já conhece o espaço, sabe que as noites são sempre longas!

Sejam muito bem-vindos,
Zambeze Almeida

"Our international film festival has guests coming from all over the world to present their work.
Simply by booking Art in Action House for the directors' dinners and the award ceremonies! When the guests entered this wonderful and unique space, they were stunned....
That is what our audience does since the 10 years that we are celebrating in this wonderful secret art loft in Lisbon. Incomparable."
Rajele Jain - Director International Festival for Films On Art Portugal

"To enter ART-LOFT-LISBON is to cross Alice's mirror, eat Zambeze's feijoada and look at the rainbow from its martian stones, it is to understand the love to the rocks, to glass, to matter. To enter ART-LOFT-LISBON is to know the secret of Art and to live it from then on forever more.
I will never forget this house or its people."
