EDUCATIONAL TOURS

9 days in Seoul, Gyeongju, and Busan

Students engage all their senses as they uncover South Korea's dynamic traditions through history, art, and cuisine—then see firsthand how this nation also shapes global culture and trends. In Seoul, they explore royal palaces, stroll down neon-lit streets, and feel the creative pulse of K-pop at every turn. Then they step back in time among Gyeongju's centuries-old temples and royal tombs, and experience Busan's colorful seaside streets.
