From the Pastor:

Hello from Khon Kaen, Thailand!

We are so grateful for everything God has given us this June. We welcomed two new members into our church through baptism on June 22nd! It's a true blessing to see our community grow.

We have also made some updates to the church. Pui, my wife, is now teaching the 4th - to 6th-graders on Sundays. They have a brand-new classroom where they can learn together. We are also feeding children in the evenings and praying for more support so we can help more children who are in need nearby.

Lately, several people from another village that Pui knows have been coming. We had to turn some people away last week because the van was full, and we are working on fixing this problem. We want everyone interested to have the chance to learn about Christ. Some of our young people are joining the adults for Wednesday night Bible study. We're hoping to find someone to teach them separately during that time.

The second floor is almost done, and I cannot wait to finish it, so we can start other property improvements. None of this would be happening without your help. Please pray that we can raise enough money to build an auditorium early next year.

Thank you for all your prayers and everything you do. Please keep praying that I can work full-time starting next year.

Your servant in Christ,

Curt Mathis
