2. Who is the target audience for this ministry/ministry event?
3. How many people do you project will be served?
4. Which AIC Ministry Boards will be involved in this event?
5. What are the goals and objectives of this ministry/ministry event?
6. Are there currently any programs already in place through Alive In Christ that (to your knowledge) are already addressing any of these goals and objectives?

## Project Action Plan

1. What activities are planned to accomplish these goals?
2. What is the timetable for implementation?
3. What other organizations (if any) will be participating in the activity? (This would include other churches, religious organizations or community based organizations.)
4. How will information about this ministry/ministry event be disseminated (both to the congregation and to those people projected to be served through the ministry/ministry event) before and during implementation?

## Evaluation Plan

1. How will the plans goals/objectives be measured?
2. What kind of follow-up to those people served through this ministry/ministry event will be provided, and who is responsible for that follow-up?
3. How will information about this ministry/ministry event be disseminated following implementation?

## Resources Requested

### Initial / One-time:

1. Budget. What are the financial requirements of this ministry? Please include an itemized budget, including all funding sources (AIC Ministry Budget support, any projected fundraising, and Outreach Grant money requested) and expenses.
2. What are the "people requirements" for this ministry/ministry event? Please indicate the projected number (and specific names, if folks are already in place) of leaders and volunteers needed for this ministry/ministry event to operate successfully.
3. What sort of space requirements are there for this ministry/ministry event? Please indicate if activities will happen on-site (at AIC) or off-site (please indicate other location).

### On-Going:

1. Is there a need for additional funding beyond this initial request?
2. Is there any on-going personnel requirements?
3. Is there any on-going space requirements?

## Please use this space for any additional comments
