

BiTHOUSE BRYK

Monday - Friday 11:00 AM - 18:00 PM

BiTHOUSE BRYK is a private membership lounge for investors, established entrepreneurs, mentors, corporate executives, investors and government officials. The atmosphere offers a beautiful, collaborative space for meeting, mentoring and networking. Located at BRYK, the venue is a meeting place and workspace that transcends into a cocktail bar by night. For more information send an email to: bb@thebithouse.org or visit: www.bithousebryk.com.

BiTHouse BRYK is a joint venture in Berlin founded by Jewell Sparks (The BiTHOUSE, Strategic Diversity Group, WUNDERJEWEL), Carsten Schröder and Frank Große (BRYK Bar.) Unlike other co-working or private club concepts, which often focus on startups, independent workers, and/or creatives we assemble a community of members that are established professionals, investors and business leaders looking to align with strategic partners, receive industry specific mentorship, and cultivate creative thought processes wanting to spend time away from their offices. We partner with brands in order to offer unique perks for our members.

The majority of our members are established entrepreneurs, government and corporate professionals working on projects in need of “out of the box” thinking and collaborative soul in order to remain competitive in today’s connected society. Our members work in various sectors, are established and understand the value of networking, collaboration and mentorship.
