Age of Pirates 2 Abandoned Ship City Full PC Game Overview: Sea 2 Abandoned Ship Towns Download Full Game Free (Russia: Корсары: Морд потеранных кораблей, literally «Korsairs: Abandoned Abandoned City is a role-playing video game developed by Akella,[2] released on May 26, 2009. It is a sequel to Sea Dogs (2000), Pirates of the Caribbean (2003), and Age of Pirates: Caribbean Tales (2006). Like Caribbean Tales, it doesn't boast any of the two former game names, for legal reasons. Game Plot is a role-playing game, and the plot is rather open ends. At first, players can start on their own, or choose one of the four marines:[3]English[3]Spanish[3]French[3]Dutch[3]He will then embark on several quests which some of them are mandatory. The English campaign was inspired by Rafael Sabatin's novel Captain Blood, as the name of the main campaign character, description, events he was involved in resemble those described in Sabatin's novels. Gameplay This game retains many gameplay features from previous games, such as the ability to trade, fight, fight and board other ships, explore, and sail in real time. The last feature is not mandatory, players can choose to sail using the map. But there are new, faster combat systems, and more complex trading systems. [3] ClassesPlayer There are three different characters that players can choose from. Each has a separate storyline and class. [3] MerchantCorsairAdventurerWeaponsAs with previous games, there are many swords and weapons in the game, each with their own attributes. Age of Pirates 2 City of Abandoned Ships Free Download.Main Attributes Players must develop seven main attributes to succeed. This is the «new PIRATES role playing system».[3] and the first letter of each attribute unites to spell PIRATES. PowerInsightReactionAuthorityTalentEnduranceSuccessShipsAs with previous titles, there are many types of real ships from the period to choose from. [4] A player may have more than one ship, or in some cases, none at all. Better ships, of course, cost more money. Some ships cannot be bought and must be caught at sea. Some ships are only available after completing a specific search.
