# IOSH “Managing Safely”

Delivering this course “In-House” for your staff

## Is This Course For You, and Your Work Place?

This course is aimed at;

- supervisory staff in any business, who are involved in the implementation of health and safety management
- managers and business owners of smaller businesses
- safety representatives who are assisting the management with health and safety

Relevant to;

- all lower and medium risk sectors and work places

## Course Overview & Learning Outcomes:

The qualification will enable successful candidate to;

- Understand the importance of health and safety in the workplace
- Understanding responsibilities at all levels
- Basic risk assessment
- Risk Control Strategies and Techniques
- Measuring performance
- Investigating accidents and incidents

The  
**RedCat**  
Partnership  
Health and Safety Consultants

 **iosh** the heart of  
health and safety

## Supplementary Information

**Guided Learning Hours:** Minimum face-to-face contact time of 22 hours, suggested over 3 days (08:30-17:00) but entirely up to you, plus time for the workplace assignment

**Assessment Format:** Delegates will need to complete two types of assessment;

- short project on conducting a risk assessment, usually completed in the interval between days 2 and 3 but again this can be changed to suit you.
- at the end of the course is a 25-question, multiple choice test of the course syllabus.

**Candidate Requirements;** this course is roughly equivalent to Level 3/"A" level study. Candidates require good functional skills, a degree of academic ability, and the time, motivation (to study outside the classroom sessions) and access to IT including email.

Prior experience with health and safety is desirable, e.g. through the Level 2 Award in Health and Safety

**Venue:** we require a quiet room with sufficient space for the number of delegates. Refreshments at your discretion. We use audio visual aids such as projector/screen, flip-chart, etc.; if these are unavailable we can transport them to site.

**Course Tutors:** Sarah Daniels & Richard Mills are both Chartered Practitioners, having spent over 30 years each in the profession. They were both health and safety inspectors, before founding The RedCat Partnership. The company has been providing health and safety training & consultancy in East Anglia and nationally for over 20 years.

**Course cost:** depending on numbers, but typically £360+VAT per delegate (including IOSH exam fee & IOSH workbook). Expenses by negotiation.
