

Level 2 Award in Health and Safety in The Workplace

“In-house” training at your premises, or a course exclusively for your staff here at No8 Thorpe Road

Is This Course For You, and Your Work Place?

This qualification is aimed at ANYONE at work, in any sector. It is THE entry level, awareness-raising training course. It will enable individuals to

- Appreciate the way in which workplace hazards are assessed and controlled
- Have a basic understanding of the main workplace hazards and their control
- Take personal responsibility for their part in workplace health and safety procedures; keep themselves and their colleagues safe

The course is delivered in our usual style; highly interactive, with activities, games, puzzles and a great deal of humour!

This regulated qualification is equivalent to IOSH Working Safely

The subjects covered are:

1. Reasons to stay safe and healthy.
2. Employer and employee responsibilities.
3. An appreciation of risk assessment, and how this helps workplace safety.
4. Safety hazard appreciation and control; slips/trips, falls from height, workplace transport, fire, electricity and work equipment.
5. Health hazard appreciation and control; hazardous substances, ergonomics, manual handling, noise and stress.
6. Responding to, and reporting incidents, injuries and ill health and first aid
