**INTERESTED IN
ATTENDING AN ELITE
UNIVERSITY?**

WA Online's ACT/SAT/SSAT Prep Courses are all aimed at substantially increasing a student's standardized test scores. These live instruction courses provide a personalized learning and tutoring experience for each individual student - regardless of whether a student is taking a 1-on-1 course or attending a class with other students. Each student will receive an initial assessment, score analysis and an individualized curriculum adjustment depending on the student's level.
