

PARIS AGREEMENT OFFICIAL RE-SIGNATURE By WORLD 100 TOP C-LEVELS SPECIAL 10 YEARS ANNIVERSARY

At
World Sustainable Forum
12 December 2025, PARIS

By ClimateTV°, Science Giving Pledge & Partners

ABOUT "MAKE PARIS AGREEMENT GREAT"

BY RE-SIGNING ON-STAGE PUBLICLY, COLLECTIVELY AND SYMBOLLICALY THE "PARIS AGREEMENT",

I undertake to bring my part for a Regenerative & High-Willingness Legacy of Cross-Border C-Levels ⁽¹⁾, non-partisan, mainly working for Future Generations.

MakeParisAgreementGreat, is about practically:

- Defining "Paris Agreement" in your Organization Status, ideally by Your "SayOnClimate" Testimony
- Acting by Your KPIs Monitoring (such as Carbon Score, Impact Score, or any relevant and transparent Method in this Pathway)
- Being Conscious of the ICJ (International Court of Justice UNs) official and clear Position ⁽²⁾ ,from The 23th July 2025, about "Climate Change" and thz implications for Stakeholders of all Countries: "World Court says countries are legally obligated to curb emissions, protect climate".

I authorize **MakeParisAgreementGreat** to publish Officially The ReSignature Committeement for "PARIS AGREEMENT" of Your Organization, and to use this on Communication Support.

IMPORTANT

If any gaps have been observed, our Committee of Acceptance reserves the Right to ask you any Reportings & Details to complete (3)

"Make Paris Agreement Great" is under the Observatory Committee, gathering International Presidency Academies of Agriculture, Sciences, Technology, Moral & Politics Sciences, Medicine, Fine-Arts, and more.

NB: The Honorary Presidency of #MakeParisAgreementGreat, co-attributed to COP21 Presidency, Chief RAONI and President of International Court of Justice UNs.

(1) The TOP 100 World Leaders from Corporates, Investors, Unicorns, SMEs, Startups, Academies, Territory & Institutions, Foundations, NGOs.

(2) Links to ICJ UNs, related to the Official Position, shared 23th July 2025:

- https://www.icj-cij.org/sites/default/files/case-related/187/187-20250723-pre-01-00-en.pdf
- https://press.un.org/en/2025/sgsm22738.doc.htm
- https://www.diplomatie.gouv.fr/en/french-foreign-policy/climate-and-environment/news/2025/article/climate-advisory-opinion-by-the-international-court-of-justice-icj-on
- (3) in case of an un-ambiguous gap idendified, we can Revoke your Official ReSignature, towards "Retrospective Responsibility" process and obligation of minimum Resources allocated for Climate Change, both mitigation and adaptation. As our first responsibility is preserving the concept of Credible and Transparent World Citizenship Behaviour, where "Rights & Duties" are interlinked, and "GreenWashing" is considered as a structural and moral fault for Current & Future Generations.

ABOUT "WORLD SUSTAINABLE FORUM"

LET'S KEEP MOVING ALL AS OLYMPICS, TOWARD STAKEHOLDERS AND THE WORLD CITIZENSHIP COMMUNITY: SUSTAINABLE CHAMPIONS!

This 12th December 2025, At Le PRISME PARIS 2024 HERITAGE, Greater-Paris-Bobigny, @WorldSustainableForum, WSF celebrates the 10 Years Paris Agreement Milestone in Seine Saint Denis Greater PARIS, same place the World signed PARIS AGREEMENT in 2015, like an Olympics Diplomacy Marathon & Sprint a decade ago!

Here, International Sports & Events will be illustrated by a testimony of their track achievements: powered by all « Positive Energy Players" from PARIS 2024, CoChaired by Tony ESTANGUET, Marie-Amélie Le FUR & Partners. Also, on the road to ALPES 2030, all Olympics Seasons Summer AND Winter will be stimulated, towards our Special 5th Season GALA Concert, at closing Awards Ceremony of WSF2025.

It is all about RE-aligning The MIND, The HEART, The BODY

- to UNDERSTAND, by Science & Ethics
- to VIBRATE, by Art Culture & Sport
- to ACT & DELIVER, by Economic, Public Policies & Sustainable Behaviors for a World Citizenship Movement

We gather at Le PRISME, the TOP 100 C-LEVELS, Corporates, Investors, Entrepreneurs, Institutions, Academies, Foundations, NGOs, in particular to commit, as "World Sustainable Champions". Let's bridging with the International Elite Sports and ParaSport, supported by our HighLevel International Scientific Committee of Academies, to Reshape Collectively for a Sustainable World.

ECHO FOR 12 DEC. 2025, FROM WARNING TO HOPE

World is limited. Resources are limited. We can't live more like Planet Earth is unlimited...Economies need to better cope with Science. Then innovative schemes starts from COPs. Far Beyond Regulations, Norms & Agreements. It is all about Willingness, to overcome our comfort zone and adapt. Adaptability is already in motion, more Than ever, including by new type of conflicts. In all aspects, jobs, industries, countries, choosing and buying are already voting Each Day.

Let's think, scale and share these fundamental capabilities towards Climate Adaptation, decisions & behaviors. Let's transfer to the Future Generations more than just a "One Day Forum" but a real Reshaped & Desirable World". Let's open this new Prism and start WSF 2025, to be inspired, to open collectively the "5th Season".
