Pokemon Dark Rising is a fan of the made Pokemon game created by DarkRisingGirl and its team back in 2012 using Pokemon FireRed as it is a base. The game has steadily become a series and has added more games, such as: Pokemon Dark Rising

2 Direct continuation of the first game, continuing the story of Pokemon Dark Rising: Order Destroyed continuation of the second game, released to overcome the events of the second game to the upcoming third part of Pokemon Dark Rising. This story contains many secrets not known before hand and not disclosed in the first or second games! It's necessary to play though for to understand the history of Pokemon Dark Rising 3 however. Pokemon Dark Dark Origin: Worlds face a game with a deeper knowledge of the events taking place between the second and third games and is designed to continue Order Destroyed. The aspect of this game that has received mixed reviews is the fact that Pokemon are no longer the only creatures that you can capture! Digimon also pretend and you can catch and fight them in the same way as you would Pokemon! So if you're a fan of both Pokemon and Digimon, then give this name a try! Pokemon Dark Rising: Kaizo, being a remake of the first dark rising game, Pokemon Dark Rising Kaizo still manages to be its own game with several plot changes, as well as new events. The difficulty curve is amplified even more, making it more difficult than the first game. Features As a fan made the game, Pokemon Dark Rising has some features that sets it apart from mainstream games like: 386 Pokemon available from different generations 1 - 5 Pokemon can be found in the wild with gen 5 Dream World Ability Moves from Generation 1 - 5 available in the game Some Pokemon can learn certain egg movements as part of their level of activity sets to move now all new original stories of Dr. Roy's and will heal your Pokemon instead. Help Dr. Roy Nurse Joy, she will be teamed up with Dr. Roy and fight you in a double battle! Different characters from the anime series will cross out like Ash and Brock, and even some characters from other series like Pharaoh from Yu-Gi-Oh! Gym Leaders have a signature Pokemon available only to them! Different Pokemon also have new methods of evolution. To finish here is the full list here: for all Pokemon that evolve by special means or had their development method changed. Contribution to the community Unfortunately, this wiki is incomplete. There is a lot of information not posted yet. So please feel free to add any information if it will be Pokemon Learnsets or TM/HM locations or anything else you may think about what other players and users will benefit from or what you think is worth knowing. Contributing is easy and there are some tools out there that can make it even easier! Such as: Advanced Map: This great tool can help you take a look at Pokemon maps and events as well as what you may encounter in the wild! YAPE (Another Pokemon Editor): This useful tool has a wide range of useful pieces to make contributing information about Pokemon easier, how to move sets, abilities, evolutionary techniques and more! PGE (Pokemon Game Editor): This tool has many other small tools to help look more closely at game information like trainers, egg moves, attack details, etc. that you can use to help add valuable information to this wiki! And they're all just a quick Google search away! (Or Bing or whatever you prefer) Just keep in mind that random clicks can happen Change certain data in the game if stored so before using any of these tools is strongly recommended to create a backup version of the ROM specifically for viewing using these tools to avoid possible changes in the game or loss of stored data. Pokemon suddenly appears and chooses you, a boy/girl, to save not only him, but the world itself. You wake up asking yourself questions. Deciding to ignore this dream for now, you go to your hometown, known as Felli in the Main Region. Your best friend, who also had the same dream, stops you at the front door to inform you of an emergency message from the city professor. When you encounter a professor, he quickly informs you about the catastrophes and climate change occurring throughout the main region. His workers are in a panic, he asks you to visit the delivery station and pick up a package for him from Prof.Oak. As you set off on this simple task, you will come across a mysterious girl who seems to know the knowledge of the dream you had about the creature named Darugis. After receiving the package, the powerful Pokemon is inside you and your friend, Pete, vision. Eager to test your early skills against a powerful Pokemon, you will quickly enter into battle with it. Pokemon uses this powerful winds, easy to defeat Pokemon and knock you in the process. After waking up in your room, you see Pete and your mother patiently waiting for your recovery. Soon you begin to realize that this is the beginning of a journey into many mysteries and powerful Pokemon you can't wait to challenge.
