Greetings,

I'm writing on behalf of the Minneapolis/St. Paul Chapter (MSP) of the National Association of Women in Construction (NAWIC). NAWIC is dedicated to enhancing the success of women in the construction industry by building educations, careers, futures and lives. You are receiving this letter regarding our annual Holiday Party coming up on December 7th. The Holiday Party is an opportunity for our network to raise money in support of MSP's annual scholarship donation to women who are dedicated to working towards a degree in construction.

We give all the proceeds to local colleges like Dunwoody, Saint Paul College and University of Minnesota. They then award these funds to dedicated women who are committed to the construction industry. Our recent focus has been to encourage women to enter the industry and become leaders in this truly fulfilling field. As the industry continues to change, the demand for women has become extremely high and we've committed ourselves to assisting in meeting those needs.

With your sponsorship/donation you can empower women to feel confident in joining the industry and provide them with the financial help many need. This is where we are asking for your help. NAWIC MSP is looking for sponsors to help fund this great event to support growth in our community.

Ways to support our Holiday Party are below and details are on the follow page.

- Purchase a table for \$200
- Donations of any amount
- Provide an auction item
 - Items can include, but are not limited to: themed gift baskets, event tickets, handmade goods, scarves, blankets, jewelry, artwork, décor, gift certificates and tools, just to name a few.
- Purchase advance tickets for you and your employees to attend
 - It is not required, but we ask each attendee to bring an auction item as well!

Regardless of your sponsorship abilities, NAWIC would like to extend an invitation to you and your co-workers. Included is a flyer for the NAWIC MSP Holiday Party. Please RSVP on Eventbrite to attend by searching 'NAWIC Holiday Party'.

I greatly appreciate your consideration of this request. Please contact me with any questions. We look forward to seeing you there!

Sincerely,

Kari Spiess
