The site offers the popular and updated versions of APK files. Subway Surfers Hack is an endless running game co-developed by Kilo and SYBO games. It can be played on Android, tabs, Kindle, iOS and Windows Phone platforms. The details of the game are as follows: In the game, players have the role of young graffiti artists who apply graffiti to a subway rail. On this, a policeman starts chasing them. The player then drive through railway tracks to escape from the police inspector and his dog. The player grab gold coins on the way from the road and out of the air while avoiding from collisions w ith trains and other objects. He can also jump on top of the train to avoid capture. Additional perks of the game include special events, such as the Weekly Hunt, which are given to the player as a reward. Features: The game starts by tapping the touchscreen of the character spraying graffiti on a train. The warden and his dog start chasing the player. The player can swipe up, down, left, or right while you're driving. In this way, he avoids driving into oncoming obstacles, moving trains, tunnel, poles, walls and barriers. More points can be acquired by swapping quickly as the speed increases. A crash in any obstacle results in a game over. The player can also collect various items such as coins, sprint sneakers, score multipliers, jetpacks, magnets, gift boxes and scooters. A scooter provides combustion by launching the player. A jetpack has the ability to fly for 10 seconds. The items such as a hover-board allow avoid collisions that last about 30 seconds. In addition, challenges and weekly hunts for unique moves throughout the game. There are up to characters (male and female) who are unlocked with in-game purchases and collection of specific items.
