## Manual therapist muscle near me

I've had several chiropractors, a team from Elite working together to help you solve the problem permanently without the quick, jarring manipulations that can leave you with painful days. Thier massage techniques and passionate hands at work will leave you feeling better than you have for weeks. I work late and drive far to get to the Elite. They've been fantastic to communicate in terms of my schedule. The planning was easy and fast. The girls are so cute and kind! I'm happy to be going to Elite!read more I'm a new patient here and so far has a fantastic experience. Dr Holmes was so well versed in my pre-existing condition and calmed all my nerves about trying new ways to help with my pain. They communicate so well, make a very easy schedule of meetings and even send reminders! 𠄎The staff is very friendly and helpful. I look forward to continuing my treatment there!read more about The Great Experience & amp; tremendous relief because I've been going the last few weeks. I had lower back pain that's almost gone at this point. Dr. Holmes and his staff are all amazing people from the moment you step in from the moment you leave. I would like to use the & amp; do not very recommend them all.read more elite sports and your back is a very nice company deal. Dr. Keklak is a very kind and generally respectful person. 8.0 Very Good 11reviews We 𠄎The staff were very friendly and about the staff were very friendly and comfortable. I've never happened to any other place I've been to, so it was nice. 𠄎The staff is very friendly and helpful. :)read a great place! Possible to schedule the first meeting quickly. Very friendly and helpful staff. Clean and modern space. For the first time, having rehabilitation with chiropractic care, which has allowed me to heal and learn how to maintain success. Dr. Keklak takes the time to explain the treatment in detail and answer questions.read more I highly recommend Elite Sport! If I had the chance to give them 10 stars, I would. The care I get from them is the top notch! As soon as you walk through the door, you'll feel welcome. Thanks elite for everything you do for me! read more Dr. Keklak is very thorough. I've struggled with tennis elbow for years and after 3 sessions, I finally have strength and pain was greatly reduced. Continue to go to Elite and highly recommend Dr. K. The hotel's premise is that the first booking will be made. Elite is really a team of chiropractic service and the best around.read more about very interested patients' condition, starting with history, symptoms, and contributing factors. I was very impressed with the level of concern to improve my condition. I've had a lot of chiropractors in the past and through extensive treatment. So far, no one is better at trying to solve my situation. Daveread more dr. Holmes and his staff are Great. I've only done three sessions so far, but I can see the improvement. Their encouragement and helpfulness is out of words. A thousand thanks. When I was diagnosed with my problem I was told there is nothing anyone can do for me and the only thing that could help a little is a nerve block. My wife convinced me to meet Dr. Holmes to see if there was anything he could do to help. I've only had three treatments and it's too early to tell if this treatment is going to help, but Dr Holmes is very confident that I'm going to get better and he said he's not going to give up on me. I'm very happy to see Dr Holmes.read more I'm so happy with the treatment I get elite. Dr Holmes did a fantastic job explaining everything in a very understandable way and began treatment on the day of my first visit. I look forward to going both in care and pain, but also to talk to wonderful and caring staff. I'd give them 10 stars if I could!!! read more I love this facility. Dr. Holmes and his staff are amazing. They really take the time that you feel free and they are so kind and caring. Dr. Holmes will explain things to you the way you understand it. I highly recommend this option to anyone seeking treatment or chiropractic services.read on I was experiencing severe hip pain and finally decided to go to chiropractor. I'm so glad that Elite Chiropractic recommended me a co-worker. Dr Holmes was fantastic at explaining everything he was going to do before working on me. The staff were friendly and helpful. I am pleased to report that my pain level has dropped significantly. I couldn't be happier with my adjustment or experience with Elite.read more I hurt my neck at work about a month ago and had a lot of pain. Dr. Keklak has helped me so much. I feel almost completely better. I highly recommend. Dr. Holmes is very caring and aware of Dr. He explained the problems my weak muscles were causing in great detail and gave me some fantastic exercises to help me get stronger. I walked out of his office in less pain, then I was when I walked in. 𠄎The staff is very friendly and helpful. I highly recommend Elite Sport!read more From the 1st day I walked to the door in severe pain, I was treated by friendly staff, showed general concern to help me get better, and felt a general sense of caring. Dr Holmes ensures he explains the cause of the pain you have encountered as well as every step of your treatment process. Adrian treats every patient with such a personable touch that you feel like you're visiting a friend, not going to physical therapy. I can't say enough about this facility, they really have helped me get through a very painful patch. I will continue wellness-check-ups even if it's not covered More this place is amazing! 𠄎The staff is very friendly and helpful. Then Dr. Kekalak is awesome too! Never make me feel hasty, always thorough and I shape. He tells me what to expect and how each treatment works. This place is full of very friendly, not judgmental people, who care a lot about their patients. I highly recommend Elite Sports and Spine Chiropractic! They're just bestread more great!!! There's nothing but wonderful things to say about this place. I tried a few other chiropractors before this place and nothing helped my excruciating back pain. The combination of PT and chiro made all the difference. 𠄎The staff is very friendly and helpful. Very good, 8.5 read more I had on my first visit a week ago. I've had headaches. Dr Holmes was very professional and took time to understand how long I have had a headache. He has educated me all the causes of these headaches and gave me exercises to help with the effectiveness of the adjustments. I have only had one week of treatment and I have had relief from persistent tension headaches. 8.0 Very good 11reviews I'm very grateful to him. Truly. The reception is always welcoming and cheerful. Dr Holmes is super professional and very thorough. Unfortunately, I've only had a few questions for a few weeks and they were able to see me right away every time I needed them. 𠄎Guests were very friendly and helpful!!!! Read more Unfortunately, physiotherapy is not a fun experience as we try to get back to our old selves. The Elite Sports team has been very pleasant and professional in the process. Most importantly, having one-on-one attention, injury with specific instruction and detailed justification for my rehab, is fantastic. Having had multiple surgeries and rehab, this is not a cookie cutter regiment like other facilities with little or no additions to daily programs. Sessions are very personalized and changed every day when my body responds to such changes, developments or back-up setbacks. I really feel these little attention to detail benefit me in the end and speed up the difficult process. I will definitely recommend elite future to every family, friends and athletes I coach to restore these health or prevent further injury. Well done!!!! read more Being a long-distance runner was important in identifying my lower back and hip problems. Dr. Holmes was great. Treatment and strength training have me back on track and enjoying my runs. I am very pleased with the quality of care I have received at Elite Sport and spine. Dr. Holmes explains why you're hurting and the process is needed to heal you. He's made me feel like I don't just have to live with that pain. I would advise someone to try Elite!read more such an amazing place. doctors have taken their time researching me and have offered many opportunities in the recovery process. 8.0 Very good 11reviews My experience was great! Dr Holmes was very kind and professional and took the time to explain what he was doing and also explained how I could help my aching back home. After my first appt I was still sore, but the next day I woke up in pain for free. I have used the humid heat a few times at home for minor aches and pains and it has so far eased my back pain. Thank you!! read more After dealing with low back pain, over the moon decided to try this place out. I can't believe how much better I feel after just a few sessions. After feeling no relief from the various chiropractors I went to earlier, Dr.Holmes was able to pinpoint the cause of my problem and create a treatment plan that suits my needs. They do a very good job of helping you understand what's going on in your body and making you feel comfortable. Highly recommend.read more so happy I was referred to this office by a friend. 𠄎The staff is very friendly and helpful. Dr Holmes really takes the time to listen to his questions and is very good at explaining what's going on. I couldn't be more pleased!read more about The Best Physiotherapy at New Castle! Everyone is very aware and truly cares about getting you back to 100%. High quality service everywhere! So grateful that they took me for a walk-in while I was in this area on vacation. I had severe back and shoulder pain and after the first app, I was pain-free. Everyone was so kind and friendly and dr. was amazing. My only regret is they don't have an office near me! Highly recommend them!read more about Elite Sports and Your Back Is The Best! Drs and staff are exceptional. Dr. Holmes always takes the time to listen to my concerns and answer all my questions. I know he's helping me fix my health problems! I highly recommend this facility.read more I'm so happy to be on my way to recovery because of ELITE Sport and Spine Chiropractic! DRs care and listen to my concerns and fears. It's only been a few weeks and I know that progress has been made! I recommend ELI!read more awesome facility! Everyone is very helpful and aware. They take the time to explain everything and seem genuinely invested to help their patients. I love Elite and always recommend this office to friends and family. After the first visit here, I was already feeling better! Meetings are easy to schedule, too. Everyone here is pleasant and really they listen to what you have to say with honest concern. I'm sure they'll help me regain my strength and feel better than ever. Choose Elite! You don't have to be disappointed!read on This place is fantastic. State of the Art facility, wonderful doctors who are incredibly knowledgeable and take on conservative Treatment. I felt better after my first treatment. 𠄎The staff were very Booking.com friendly and helpful. It is struggling with hip and lower back pain. Dr. Holmes and his staff have been great. My hip pain is much better and I'm on my way pain-free. If you have any type of spine, neck, shoulder pain, etc. Call them. They specialise in all sports, motor vehicle accident injuries and more. Feel great again and live free of the pain of life. Melread the more I have visited the office twice, and feel like it has been a success. I hurt my back years ago and I noticed the problem getting worse recently. Before the first treatment, the doctor explained what he thought I needed. He was right, and now I feel better. There is no pressure to do next time. It's unusual after going to other doctors I'm very happy with so farread more the first day I walked into the office, I couldn't even put on the table because of the heavy back spasms. After only a few visits I have not had spasms and I am working to strengthen my spine. Dr's are very encouraging, friendly and willing to spend the time needed to make me better with each visit. I highly recommend Elite Spine.read more I could not move my neck at all to the right. Enough for me to barely drive safely. He moved enough of my neck that day so I could drive safely again. I was going to see a surgeon. 2. Thank you very much. And he's a nice person too! read more My first visit to elite was great. 𠄎The staff is very friendly and helpful. I have had neck and back issues for years and have seen a number of chiropractors, but were so impressed by how thorough elite people were even before the adjustment. Dr. Holmes made my adjustment and was concerned about the problems. Long story shorter, I walked into the building in a lot of pain and walked out standing straight and not hurting. These people deserve a lot more than 5 stars in my book. Thank you all so much! We'll see you again soon. Each doctor underwent a thorough evaluation. After saying an evaluation of doctors compared notes and advanced personalized treatment plans based on their combined deduction for my loss. I greatly appreciate the feedback from both doctors because it's almost like getting a second opinion. Their combined knowledge not only of the spine, but of the entire muscle skeletal system makes them superior to other chiropractors. My treatment is included in chiropractic adjustment, soft tissue work, k laser, and exercise. I'm on my way to a speedy recovery with this aggressive treatment plan.read on highly recommended. 𠄎The staff is very friendly and helpful. Their main see that you get 100% safe and fast. Since I've only been there for a few weeks I've made tremendous progress.lines more dr. Holmes is an extraordinary chiropractor, he does top notch correction and is also working with you on improving movement patterns for injury prevention. I've been looking for this area for over a year now-so happy I found Elite!read more They're great. Laser treatment works amazing. I was going to come with a little limp and some pain and left without either. I recommend them and all their services. Darren and his staff are extremely professional and knowledgeable in their field. It's nice to work with knowledge about athletics and understand how the body and muscles react to different types of sports. Care is focused on helping a person get better and there are no issues that they originally experienced. I highly recommend them, especially for anyone experiencing issues in the athletic field.read more this place is amazing! They're so caring and polite. They answer all my questions, and I never feel rushed. This is the first place I've been, so I can say that I feel a lot better leaving without pain. 𠄎The staff were very friendly and helpful. I really wish I'd found this place a lot earlier.read more Everything's very friendly and helpful. 𠄎The staff is very friendly and helpful. This place is amazing. No one's ever been willing to work on my TMJ. I like it here! Best place to put your hands down! Dr Holmes is very aware and genuinely cares not only to bring customer relief, but to try to identify the underlying issue and permanently identify a potential problem. After only 2 meetings, the symptoms have already almost completely subsided.read more from very professional and friendly staff. Excellent service and maintenance. 𠄎The staff were very friendly and helpful. I went and felt the results after only one session! I kept going and my back pain went like 7 for almost nothing. They help so much with my posture and proper weightlifting. 8.0 Very good 11th review Doctors were very personable and professional. 𠄎The staff were very friendly and helpful. 10/10reads more I just started going to elite a few weeks ago knee pain caused by years of running and teaching group fitness. After my first appointment, I was in pain for a week when before that it was bothering me during daily activities on a regular basis. I'm impressed by the thoroughness of the chiropractors that have been about my knee evaluation and treatment and everything that's related to it. I would definitely recommend Elite to anyone who needs chiropractic.read more I was in so much pain that I couldn't walk. Even after the initial phone call, they started helping me. Dr. K answered the call, answering all my questions and taking the time to get full Me! The actual treatment and plan works perfectly and hits the exact spot where the pain comes from. They are very encouraging and helpful. They take the time to educate and take over with you. I definitely recommend Elite Sports and Spine Chiropractic! - April Bakerread more This chiropractor is the best place I've ever been too! They're so helpful and make me feel a lot better when I first came! I'm so glad my doctor recommended me to them! I came in sceptical about past experiences elsewhere. is here night and day from others! Doctors explain everything, never seems rushed, always pleasant and respectful. For the first time since the accident, I see hope of returning to normal life. I've told everyone this is the place to go. The staff were very friendly and helpful. During 2 sessions my pain was almost gone. I highly recommend Elite Sport and Dr Holmes.read more If you are looking for an alternative treatment option for acute or chronic musculoskeletal aches, Elite Sport and spinal chiropractic are a great choice. 𠄎The staff is very friendly and helpful. As a medical professional myself, I have no hesitation in recommending to any patient who could benefit from their

services.read more dr Holmes and the entire Elite staff are very hospitable to my needs so far and I would advise anyone to put confidence in their services. Very friendly and helpful staff. Very professional and friendly. I'm grateful for Dr. Merhaut. He's been working miracles on my back in a short time. I'm so glad to tell everyone that I know there are skeletal problems to get to Elite Sport and the spine chiropractic body thanks you for that!read more Best place around your arms down!!! ㄹThe staff is very friendly and helpful. ㄹThe staff is very friendly and helpful!!! ㄹThe staff were very friendly and ,!!! that there's all the night. Highly recommended A+++read more Dr. Merhaut is fantastic! He's a great adjuster, but he's also very knowledgeable about the human body. It offers great tips for self-care at home too! I'd recommend him to anyone I know! Highly recommended physiotherapy and chiropractic services. I went to Elite knee surgery and left shoulder surgery. Dr. Jessica was excellent with both injuries. Dr. Jessica is a great personality and is very aware. I also saw Dr. Merhaut because of his neck, which was also damaged. Dr. Merhaut was amazing and helped me get back to being pain free. Very friendly and helpful staff. I highly recommend Elite.read more Drs. Merhaut and Keklak have been astied me back pain and my symptoms are significantly reduced after just a few weeks. These guys take good care of their clients. Excellent knowledgeable staff working in your best interests. Helped out the ton to get back up and moving quickly with a knee problem. I am very pleased with the experience that I have had with Elite for me and my daughter. The doctor was very thorough and explained everything during the exam. I highly recommend Elite Sports and Spine.read on my investigation was very thorough and extensive. Everything is explained to me during my meetings. I am very pleased with the level of care I get from Elite. Doctors are aware and experienced. I'm so glad I called Elite to help me get better in after my car accident. ㄹThe staff is very friendly and helpful. They are willing to work around your schedule to get you to the office. I see them for both physiotherapy and chiropractic. I only have positive things to say about these doctors and support staff. They have excellent gym physiotherapy and some really great machines to help my back issues – a traction machine running wonders! Dr. Ellebruch, Dr. Merhaut and Dr. Foreback are the ones I communicated with the most, and they're the best. We would all be very friendly and helpful. I like that they all worked together to have a treatment plan to help me get better. They made me feel like I was their only patient, and I know I wasn't. It was their goal in each session to use techniques that would help my pain go away and teach me how to make my muscles stronger with specific stretches of long-term results.read more I've had other chiropractors, but nothing compares to the work that they do for Elite Sports and Spine. ㄹThe staff is very friendly and helpful. They show that they really care about their patients and the progress they make. I personally have had a fantastic experience with them! I highly recommend Elite for anyone looking for chiropractic care!read more
