

# **2018 Global Corporate Sustainability Awards**

## **GCSA – Professional**

Selection Guidelines and Recommendation Form

## **Selection Guidelines of GCSA – Professional**

- I. In order to promote corporate efforts in the field of sustainable development, this award recognizes exemplary individuals through “GCSA – Professional”.
- II. During each year’s submission period, nominations may be submitted by representatives from domestic and foreign government, NGOs, enterprises, and academia.
- III. Complete nominations need to include the nominee’s present job title, educational background, and summary of exemplary activities (in electronic file formats) for submission to the organizer of the “GCSA – Professional”, along with other materials for review.
- IV. To ensure selection of outstanding professionals, the President of the Taiwan Corporate Sustainability Academy serves as the Awards Convener (and Chairman), and selects exemplary judges from the community to serve on “GCSA – Professional Selection Committee”, (hereafter, the Committee).
- V. The Committee will undertake both preliminary and final rounds of review for submission for selection by the Taiwan Corporate Sustainability Academy, and those selected are the winners of the “GCSA – Professional”.
- VI. The Award trophy (plaque) will be issued to winners at the annual Global Corporate Sustainability Awards Ceremony.
- VII. Upon approval of these Awards Guidelines by the Taiwan Corporate Sustainability Academy, and ratification by the Convener, these Guidelines shall take effect from the date of promulgation, and the same applies as to any amendments thereafter.
