**EMILY E. CAMERON, Ph.D.**  
Curriculum Vitae  
November 2020

---

University of Manitoba  
Department of Psychology  
Email: camero51@myumanitoba.ca

## EDUCATION

- 2020 – present Associate Postdoctoral Fellow
- Department of Psychology, University of Manitoba
- 2019 – 2020 Clinical Psychology Residency, CPA Accredited
- Department of Clinical Health Psychology Max Rady College of Medicine
- 2016 – 2020 Doctor of Philosophy, Clinical Psychology
- University of Calgary, Calgary, Alberta
- 2014 – 2016 Master of Science, Clinical Psychology
- University of Calgary, Calgary, Alberta
- 2008 – 2013 B.Sc. (Honours) with distinction, Combined Biology and Psychology
- University of Victoria, Victoria, British Columbia

## DESIGNATIONS

- 2020 – present C.Psych. Candidate, Psychological Association of Manitoba
- Postdoctoral Supervision by Jo Ann Unger, PhD, C.Psych.

## EMPLOYMENT

- 2020 – present Senior Clinical Associate, *Kidthink Children's Mental Health Centre Inc. (KIDTHINK)*

## AWARDS AND DISTINCTIONS

- 2020 Graduate Student Research Excellent Award, Clinical Psychology Graduate Program, Department of Psychology, University of Calgary
- 2020 – (2022) Social Sciences and Humanities Research Council (SSHRC) Postdoctoral Fellowship (\$45,000 per annum)
- 2017 – 2020 Social Sciences and Humanities Research Council (SSHRC) Joseph-Armand Bombardier Canada Graduate Scholarship - Doctoral (\$35,000 per annum)
- 2019 University of Calgary, Department of Psychology Travel Award (\$1000)
- 2018 Alberta Children's Hospital Research Institute (ACHRI) Small Research Grant (\$3000)
- 2018 Certificate of Achievement, Canadian Child Health Clinician Scientist Program (CCHCSP)
- 2017 – 2018 International Honor Society in Psychology (Psi Chi) Graduate Research Grant (\$1500 USD)

- 2017 – 2018 Queen Elizabeth II Graduate Scholarship, Faculty of Graduate Studies, University of Calgary (\$15,000; declined)
- 2017 Rising Researcher Award to attend the 15<sup>th</sup> Annual National Canadian Child Health Clinical Scientist Program National Symposium, Calgary, Alberta (approximately \$350)
- 2016 – 2017 Queen Elizabeth II Graduate Scholarship, Faculty of Graduate Studies, University of Calgary (\$15,000)
- 2015 – 2017 Alberta Children’s Hospital Research Institute (ACHRI) Training Program Studentship (\$20,000 per year; \$40,000 total)
- 2016 Alberta Children’s Hospital Research Institute (ACHRI) Trainee Travel Award (\$750)
- 2016 University of Calgary, Department of Psychology Travel Award (\$500)
- 2015 International Honor Society in Psychology (Psi Chi) Graduate Assistantship Grant (\$3000 USD)
- 2014 – 2015 Social Sciences and Humanities Research Council (SSHRC) Joseph-Armand Bombardier Canada Graduate Scholarship – Master’s Program (\$17,500)
- 2014 – 2015 Graduate Student Scholarship, University of Calgary (\$7000)
- 2014 – 2015 Queen Elizabeth II Graduate Scholarship, Faculty of Graduate Studies, University of Calgary (\$10,800; declined)
- 2013 Faculty of Social Sciences *with Distinction* (top 20% of the academic unit), B.Sc. Honours Degree, University of Victoria
- 2013 Psi Chi Kay Wilson Officer Team Award (\$2000 USD)
- 2012 Psi Chi Model Chapter Award (\$100 USD)
- 2008 University of Victoria Entrance Scholarship (\$4000)
- 2008 University of British Columbia Entrance Scholarship (\$2000; declined)
- 2008 The Passport to Education Program, Government of British Columbia (\$1000)

## RESEARCH GRANT FUNDING

Submitted Centre for Healthcare Innovation Preparing for Research by Engaging Public and Patient  
Partners (PREPPP) Award (\$4,000). Role: PI. Co-Is: Drs. Ana Hanlon-Dearman,  
Laurence Katz, Kristin Reynolds, Leslie Roos, Jessica Schleider. *SPYKids: The  
Development of Single-Session Psychotherapy for Young Kids through Patient and  
Public Engagement*.

Submitted Movember Foundation Social Connection Challenge (\$236,332). Role: Co-PI. PI: Dr.  
Leslie E. Roos; Co-Is: Drs. James Bolton, Ryan Giuliano, Joshua Madsen, Corey  
Mackenzie, Jonathan McGavock, Kristin Reynolds, Jitender Sareen, Lianne Tomfohr-  
Madsen. *The SWELL Program: Striving for Wellness in Fatherhood*.

Submitted SSHRC Partnership Engage Grant (\$25,000). Role: PI. Co-A: Dr. Leslie E. Roos, Dr.  
Tracie Afifi, and Dr. Jennifer LP Protudjer. Partner: KIDTHINK (Director: Dr. Jo Ann  
Unger). *Building BRIDGES: Adapting parent wellness supports for families of children  
with developmental and mental health needs at KIDTHINK Inc.*

2016 – 2020 SSHRC Insight Development Grant (\$71,963). Role: Student. PI: Lianne Tomfohr-  
Madsen, Ph.D. *Does where you live predict what you say? Associations between SES,  
child sleep, and language acquisition*.

2018 – 2019 Alberta Children's Hospital Research Institute (ACHRI) Small Research Grant (\$3000).  
Role: Co-investigator. PI: Lianne Tomfohr-Madsen, Ph.D. *Trajectories of paternal  
postpartum depression*.

2017 – 2018 International Honor Society in Psychology (Psi Chi) Graduate Research Grant (\$1500  
USD). Role: PI. *Treatment preferences for paternal postpartum depression*.

## KNOWLEDGE TRANSLATION

December 2020 Co-Presenter with Dr. Leslie Roos

- Pediatric Grand Rounds, University of Manitoba, Bannatyne Campus
- Title: *Disrupting the intergenerational transmission of mental illness and stress-  
linked health inequities*

- October 2020 Panelist
- Café Scientifique Online – *Parenting During the Pandemic*
  - <https://www.youtube.com/watch?v=7SoRezVbtkA&feature=youtu.be>
- June 2018 Educator/Presenter
- Workshop title: “CBT Basics: Everyday Cognitive Behavioural Strategies for Health Care Providers”
  - Delivered a one-hour in-service for mental health inpatient unit nursing staff
- May 2018 Educator/Presenter
- Symposium title: “Sleeping for Two!”
  - Delivered a two-hour workshop on cognitive behavioural interventions for expecting mothers and behavioural sleep training for infants at the Perinatal Mental Health Symposium, Calgary, AB

## RELATED WORK EXPERIENCE – TEACHING AND CLINICAL SUPERVISION

- 10/2020 – 11/2020 Co-Facilitator, *IDEAS Impact Framework Online Workshop - Fall 2020*
- Center for the Developing Child, Harvard University, MA, USA
- 09/2020 – present Supervision, Practicum Student
- PhD Student, Clinical Psychology: Alyse Sukovieff
  - Kidthink Children’s Mental Health Centre Inc, Winnipeg, MB, Canada
  - Supervision of psychological assessment and intervention
- 09/2020 – present Supervision, Practicum Students
- PhD Students, Clinical Psychology: Marlee Salisbury, Sandra Hunter, Amber Yaholkoski
  - Psychological Services Centre, University of Manitoba, Winnipeg, MB, Canada
  - Supervision with structured clinical interviews, diagnostic consultation, and group therapy (DBT and parenting skills training)
- 11/2019 Lecturer
- Undergraduate Medical Education, Max Rady College of Medicine, University of Manitoba, Winnipeg, Manitoba, Canada
  - *Solution-Focused Interviewing*
- 10/2019 – 01/2020 Supervision, Medical Students
- Max Rady College of Medicine, University of Manitoba, Winnipeg, Manitoba, Canada
  - *Motivational Interviewing*
- 04/2019 Guest Speaker
- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Course: Practicum Seminar (PSYC 760/762)
  - Title: *Residency Applications, Interviews, and Match*
- 03/2019 Guest Lecturer
- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Course: Behavioural Modification (PSYC 435)
  - Title: *Behavioural Modification for Insomnia*
- 01/2019-04/2019 Teaching Assistant – Lab Instructor
- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Course: Behavioural Modification (PSYC 435)
- 05/2017 Guest Lecturer
- Canadian Child Health Clinician Scientist Program (CCHCSP) sessions
  - University of Calgary, Calgary, Alberta, Canada
  - Title: “Data Analysis in Quantitative Research”
- 01/2016-04/2016 Teaching Assistant
- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Course: Health Psychology (PSYC 330)
- 01/2016 Guest Lecturer
- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Course: Health Psychology (PSYC 330)
  - Title: *Physical systems: Neuroanatomy and the endocrine system*
- 09/2015-12/2015 Teaching Assistant

- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
- Course: Psychology for Everyday Life (PSYC 203)

11/2017-08/2020	Graduate Student Supervisor

- Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Research Assistant (Pooja Sohal)
  - Independent project title: *Paternal mental health following perinatal infant loss: A meta-analysis and systematic review*
  
- 02/2018-04/2019 Graduate Student Supervisor
  - Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Psychology Honours Student (Roxana Fodor)
  - Honours thesis: *Prenatal risk and resilience factors for paternal sleep trajectories following childbirth*
  
- 09/2016-08/2019 Research Coordinator. Supervisor: Lianne Tomfohr-Madsen, Ph.D.
  - Healthy Hearts Lab, Department of Psychology, University of Calgary, Calgary, Alberta, Canada.
  - Social Sciences and Humanities Research Council Insight Development Grant, project title: *Does where you live predict what you say? Elucidating associations between socioeconomic status, child sleep, and child language acquisition*
  
- 09/2017-08/2018 Graduate Student Supervisor, Recruitment Team Coordinator
  - Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  
- 05/2016-08/2017 Graduate Student Supervisor
  - Department of Psychology, University of Calgary, Calgary, Alberta, Canada
  - Undergraduate Independent Study Student and AIHS Undergraduate Summer Studentship (Dana Hunter)
  - Thesis title: *What men want: Treatment preferences for paternal postpartum depression*
  
- 09/2014-08/2016 Master's Thesis, University of Calgary
  - Supervisors: Lianne M. Tomfohr-Madsen, Ph.D. and Gerald F. Giesbrecht, Ph.D.
  - Thesis: *Effects of prenatal cortisol concentrations on working memory performance in preschool children*
  
- 04/2014-08/2014 Research Assistant. Supervisor: Lianne Tomfohr-Madsen, Ph.D.
  - Healthy Hearts Lab, Department of Psychology, University of Calgary, Calgary, Alberta, Canada.
  
- 09/2013-05/2014 Research Assistant. Supervisor: Emma Climie, Ph.D.
  - Strengths in ADHD Research Group, Department of Education, University of Calgary, Calgary, Alberta, Canada
  
- 09/2012-04/2013 Honours Thesis. Supervisor: Erica Woodin, Ph.D.
  - Couples and Families Lab, Department of Psychology, University of Victoria, Victoria, British Columbia, Canada
  - Title: *Risk factors and partner effects for paternal postpartum depression*
  
- 09/2012-04/2013 Research Assistant. Supervisors: Erica Woodin, Ph.D. and Ulrich Mueller, Ph.D.
  - Couples and Families Lab, Department of Psychology, University of Victoria, Victoria, British Columbia, Canada
  
- 01/2010-04/2011 Research Assistant. Supervisor: Stephen Lindsay, Ph.D.
  - Memory and Cognition Laboratory, Department of Psychology, University of Victoria, Victoria, British Columbia, Canada

<b>SUPERVISED CLINICAL EXPERIENCE</b>
---------------------------------------

### **Clinical Health Psychology Residency Program, Child and Adolescent Stream (Medical Clinic/Hospital)**

*September 2019 – August 2020*

- **Location:** Health Science Centre, Child Protection Centre, and Youth Forensic Services, Winnipeg, MB, Canada
- **Primary Supervisors:** Jane Bow, Ph.D., C.Psych.; Jennifer Ducharme, Ph.D., C.Psych.
- **Additional Supervisors:** Leonard Greenwood, Ph.D., C.Psych.; Garry Fisher, Ph.D., C.Psych.; Diane Hiebert-Murphy, Ph.D., C.Psych.; Patricia Fergusson, Ph.D., C.Psych.
- **Population:** Children and adolescents ages 2-18 years; Parents, families, couples.
- **Clinical Activities (assessment):** Conducted assessments for the purposes of diagnostic clarity, to inform psychiatric interventions, and to assist with school transition on an inpatient and outpatient basis. Conducted interviews, school consultations, and feedback sessions with children, adolescents, families, multidisciplinary teams, community services, and school personnel; Completed diagnostic and psychoeducational assessments (measures used: ABAS-III, BASC-2, BASC-3, Beery VMI-6, BRIEF, Conners-3, CSRPI, TOMM, WISC-V, WAIS-IV; measures observed: ADOS-2, Rorschach Test); Conceptualized complex cases and presented at case conferences. Wrote 12 integrated reports.
- **Clinical Activities (individual intervention):** Delivered acute and long-term individual therapy with trauma-informed and attachment-based treatment philosophies; Delivered cognitive-behavioural, dialectical-behavioural, self-compassion mindfulness, play therapy and motivational interviewing interventions.
- **Clinical Activities (group intervention):** Co-facilitated a dialectical-behavioural coping skills group for patients with eating disorders attending a day treatment program. Co-facilitated two psychoeducational and cognitive-behavioural groups for the treatment of chronic pain in children.

### **OCD Program - Mood, Anxiety, and Psychosis Services (Medical Clinic/Hospital)**

*September 2018 – December 2018*

- Practicum Student (PhD-3), optional placement
- **Location:** Alberta Children's Hospital, Calgary, AB, Canada
- **Supervisor:** Andrea Bliss, Ph.D., R.Psych.
- **Population:** Adolescents ages 14-18 years
- **Presenting Problems:** Obsessive-compulsive disorder (OCD)
- **Clinical Activities:** Co-facilitated a 12-week evidence-based manualized group treatment program for children and adolescents with a primary diagnosis of OCD ("*OCD is Not the Boss of Me*"); Delivered psychoeducation, cognitive- and behavioural-based interventions; Developed individualised exposure and response prevention (E/RP) plans with patients and practices E/RPs with patients one-on-one each week in session; Conducted homework review at the end of each session with patients and their parents; Participated in program evaluation.

### **University of Calgary Psychology Clinic (Department/School Clinic)**

*September 2018 – December 2018*

- Practicum Student (PhD-3), optional placement
- **Location:** University of Calgary, Calgary, AB, Canada
- **Supervisor:** Roslyn Mendelson, Ph.D., R.Psych.
- **Population:** Children and adolescents ages 12-18 in a community population
- **Presenting Problems:** Depression, anxiety, ADHD, OCD, parent-child relational problems, adjustment.
- **Clinical Activities:** Conducted intake interviews; Delivered individualized interventions to child and adolescent clients; Delivered cognitive-behavioural (including the Unified Protocol), dialectical-behavioural, and self-compassion mindfulness interventions; Attended weekly supervision; Participated in biweekly case conferences; Monitored treatment progress and outcomes.

### **Adolescent Mental Health Inpatient Unit (Inpatient Hospital)**

*September 2017 – July 2018*

- Practicum Student (PhD-2), speciality placement

- **Location:** Foothills Medical Centre, Calgary, AB, Canada
- **Supervisor:** Taryn Bemister, Ph.D., R.Psych.
- **Population:** Adolescents ages 12-18 years admitted to psychiatric inpatient units
- **Presenting Problems:** Severe emotional, behavioural, and/or psychiatric problems, including adolescents with complex mood or anxiety disorder, thought disturbances, and those at-risk for suicide or non-suicidal self-injury.
- **Clinical Activities (assessment):** Conducted assessments for the purposes of diagnostic clarity, to inform psychiatric interventions, and to assist with school and home transition from the inpatient unit. Conducted interviews, school consultations, and feedback sessions with adolescents, families, multidisciplinary teams, community services (e.g., group homes, community therapists), and school personnel; Completed diagnostic and psychoeducational assessments with adolescents (measures used: BYI-II, BASC-3, BRIEF, BPFSC-11, CY-BOCS, KBIT-2, MACI, MMPI-A-RF, OSI, SRS-2, SCID-5, TOMM, WISC-V, WAIS-IV; measures observed: ADOS-2, ADI-R); Conceptualized complex cases and presented at case conferences. Wrote 6 integrated reports.
- **Clinical Activities (individual intervention):** Delivered acute and long-term individual therapy with trauma-informed and attachment-based treatment philosophies; Delivered cognitive-behavioural, dialectical-behavioural, self-compassion mindfulness, collaborative problem solving, and motivational interviewing interventions according to the development of individual care plans and delivered within the milieu.
- **Clinical Activities (group intervention):** Co-facilitated an emotion regulation skills-based group 1-2x/week with rolling attendance of 12-16 patients based on the *DBT Skills Manual for Adolescents* (Rathus & Miller, 2014). Completed three cycles of the skills-based group (about 12 weeks per group cycle).

#### **Cognitive Behavioral Therapy for Insomnia (Research Project)**

*September 2016 – May 2018*

- Practicum Student (PhD-1 & 2), optional experience
- **Location:** Healthy Hearts Lab, University of Calgary, AB, Canada
- **Supervisor:** Lianne Tomfohr-Madsen, Ph.D., R.Psych.
- **Population:** Study 1, Adolescents (ages 13-17) with mild traumatic brain injury; Study 2, Pregnant women (ages 18-35).
- **Presenting Problems:** Insomnia as defined by problems falling asleep, staying asleep, or waking much earlier than intended.
- **Clinical Activities:** Delivered 6-weekly sessions manualized cognitive-behavioural therapy for insomnia; Wrote weekly session notes; Participated in group supervision; Sought individual supervision as needed.

#### **Vi Riddell Pediatric Pain and Rehabilitation Centre (Medical Clinic/Hospital)**

*March 2017 – July 2017*

- Practicum Student (PhD-1), specialty practicum
- **Location:** Alberta Children's Hospital, Calgary, AB, Canada
- **Supervisor:** Joanne Vallely, Ph.D., R.Psych.
- **Population:** Children and adolescents (ages 5-17) with chronic pain.
- **Presenting Problems:** Acute and complex pain, psychosocial adjustment to chronic and life-threatening illnesses.
- **Clinical Activities (individual):** Conducted intake interviews; Delivered individualized cognitive behavioural interventions (e.g., relaxation, systematic desensitization, cognitive restructuring, behavioural contingency programming), mindfulness interventions, and acceptance and commitment interventions, and other pain management strategies; Monitored treatment progress, conducted parent and family psychoeducational counseling in conjunction with a family counsellor; Presented at case conferences.

- **Clinical Activities (group):** Co-facilitated three 1-day foundational programs for pain management in children and adolescents (i.e., “The Comfort Ability”); Observed the complementary parent workshop and provided support to parents during group activities.

#### **Pediatric Neurosciences Service (Medical Clinic/Hospital)**

*September 2016 – February 2017*

- Practicum Student (PhD-1), specialty practicum
- **Location:** Alberta Children’s Hospital, Calgary, AB, Canada
- **Supervisor:** Sandra Mish, Ph.D., R.Psych.
- **Population:** Children and adolescents (age 3-18) with suspected cognitive impairment due to a medical condition (e.g., cerebral palsy, cystic fibrosis, epilepsy, arterial presumed perinatal ischemic stroke).
- **Presenting Problems:** Neurological conditions, developmental disabilities, learning disorders, cognitive/intellectual disabilities, physical/orthopedic disabilities.
- **Clinical Activities:** Conducted semi-structured interviews; Administered and scored common psychoeducational, psychodiagnostic, and neuropsychological tests (measures used: ABAS-3, ADHD-IV, Attention and Behavior Rating Form, BAI, BDI-II, BYI-II, Beery VMI-6, BASC-3, BRIEF-2, CVLT-C, CVLT-II, ChAMP, CBCL, Child/Adolescent History form, D-KEFS, Education Information Form, MVP, NEPSY-II, Strengths and Difficulties Questionnaire, TOVA, WAIS-IV, WIAT-III, WISC-V, WPPSI-IV, WJ-III; measures observed: Grooved Pegboard; K-CPT 2, Purdue Pegboard Task; Wisconsin Card Sorting Test); Prepared integrative psychological reports; Delivered assessment feedback to patients and multidisciplinary healthcare providers (e.g., family physician); Consulted with healthcare team to coordinate patient care; Specific attention paid to transition services (e.g., Assured Income for the Severely Handicapped, Persons with Developmental Disabilities, Guardianship & Trusteeship) when applicable. Wrote 7 integrated reports.

#### **Vi Riddell Pediatric Pain and Rehabilitation Centre (Medical Clinic/Hospital)**

*September 2016 – November 2016*

- Practicum Student (PhD-1), specialty practicum
- **Location:** Alberta Children’s Hospital, Calgary, AB, Canada
- **Supervisor:** Megan Hancock, Ph.D., R.Psych.
- **Population:** Children (ages 11-12) with a primary concern of functional abdominal pain
- **Presenting Problems:** Physical/orthopedic disabilities, serious mental illness (e.g., anxiety disorders, depression, OCD)
- **Clinical Activities:** Co-facilitated a 7-week cognitive-behavioural therapy program for functional abdominal pain; Introduced framework of cognitive-behavioural therapy at an age-appropriate level; Debriefed sessions with parents and children; Took initiative to adapt sessions based on group dynamics to optimize engagement and participation.

#### **Phobia Treatment Clinic (Department/School Clinic)**

*January 2016 – April 2016*

- Practicum Student (MSc-2)
- **Location:** University of Calgary, Calgary, AB, Canada
- **Supervisors:** Keith Dobson, Ph.D., R.Psych.; Deb Dobson, Ph.D., R.Psych.
- **Population:** Youth and young adults (ages 19-31)
- **Presenting Problems:** Specific phobias (e.g., arachnophobia, claustrophobia), social anxiety disorder, and panic disorder. Additional concerns included substance abuse and depressive symptoms.
- **Clinical Activities:** Conducted comprehensive client assessments for treatment planning; Delivered individualized cognitive-behavioral interventions (e.g., exposure therapy, cognitive restructuring, behavioural activation) to two clients with a specific phobia (i.e., arachnophobia, claustrophobia) and one client with social anxiety disorder; Prepared report with case formulation using cognitive-behavioural framework; Monitored treatment progress and outcomes.

### **Alberta Pregnancy Outcomes and Nutrition (APrON) Study** (Research Project)

*July 2015 – June 2016*

- Practicum Student (MSc-1 & 2), optional placement
- **Location:** Alberta Children's Hospital Research Institute, Calgary, AB, Canada
- **Supervisor:** Gerry Giesbrecht, Ph.D., R.Psych.
- **Population:** Children (ages 3-4) whose mothers were APrON study participants from pregnancy to four years postpartum.
- **Presenting Problems:** Attention and behavioural concerns, queries of developmental delays.
- **Clinical Activities:** Conducted neuropsychological and psychodiagnostic assessments in two 2-hour sessions (measures used: WPPSI-IV, NEPSY subtests, MABC-II, Boy-Girl Stroop Test, Dimensional Change Card Sort, Gift Delay, Less Is More, Self-Ordered Pointing Task, Spatial Span, BRIEF-Preschool); Scored measures and prepared participant reports; Reviewed scoring from all psychometrists (N=108 assessments).

### **Metabolic Clinic, Endocrine Clinic, & Vi Riddell Pain and Rehabilitation Centre** (Medical Clinic/Hospital)

*May 2015 – August 2015*

- Practicum Student (MSc-1)
- **Location:** Alberta Children's Hospital, Calgary, AB, Canada
- **Supervisor:** Megan Hancock, Ph.D., R.Psych.
- **Population:** Children ages 3-13
- **Presenting Problems:** Suspected cognitive impairment due to either a metabolic (e.g., isovaleric acidemia, classical galactosemia) or endocrine disorder (e.g., hypothyroidism).
- **Clinical Activities (individual):** Conducted semi-structured interviews; Administered and scored common psychological and psychodiagnostic tests (measures used: ABAS-II parent and teacher forms, BASC-2, BYI-II, Beery VMI-6, BRIEF parent and teacher forms, CBCL parent and teacher forms, CTOPP-2, Conners-3 parent and teacher forms, CPT-3, Conners EC, NEPSY-II, WISC-5, WPPSI-IV, WIAT-III, WRAML-2); Prepared integrative psychological reports; Delivered assessment feedback to patients and multidisciplinary healthcare providers (e.g., family physician); Consulted with healthcare team to coordinate patient care. Wrote 4 integrative reports.
- **Clinical Activities (group):** Took initiative to participate in optional experience to pilot and co-facilitate a 3-week cognitive behavioural intervention program for children aged 7-13 with chronic headaches or migraines.

### **Mindfulness-Based Cognitive Therapy in Pregnancy** (Research Project)

*September 2014 – December 2015*

- Practicum Student (MSc-1 & 2), optional experience
- **Location:** Healthy Hearts Lab, University of Calgary, Calgary, AB, Canada
- **Supervisor:** Joshua Madsen, Ph.D., R.Psych.
- **Population:** Pregnant women (ages 18-35)
- **Presenting Problems:** Participants for the randomized control trial included expectant mothers reporting significant psychological distress or current psychological diagnosis.
- **Clinical Activities:** Conducted baseline and follow-up assessments, including the Structured Clinical Interview for DSM-IV (SCID-IV), as part of a clinical research study evaluating the effectiveness of mindfulness-based cognitive therapy for distress in pregnant women; Participated in supervised case conferences to confirm psychological diagnoses.

### **Regional Psychological Assessment Service** (Community Mental Health)

*November 2011 – December 2011*

- Practicum Student (MSc-1)
- **Location:** Sheldon M. Chumir Centre, Calgary, AB, Canada
- **Supervisor:** Lauren Yallop, Ph.D., R.Psych.

- **Population:** Adults who are participating in psychological treatment at one of the acceptable referring services
- **Presenting Problems:** Attention difficulties, anxiety, depression, and borderline personality disorder.
- **Clinical Activities:** Conducted a comprehensive psychoeducational and psychodiagnostic assessment (measures used: WAIS-IV, MMPI-2); Scored and interpreted results; Participated in supported case conceptualization with supervisor; Delivered individualized feedback. Wrote 1 integrative report.

## WORKSHOPS AND CONTINUING EDUCATION

- Patient-Oriented Research Curriculum in Child Health (PORCCH) – Training Modules (2020, November). *Canadian Child Health Clinician Scientist Program.* <https://porcch.ca/modules/>
- LaiYee Ho (2020, October). Intro to Coding Qualitative Data with Delve. <https://delvetool.com/sage-delve-webinar-slides>.
- University of Manitoba Grand Rounds, *Towards Inclusivity: Pathways for Indigenous Students into the Health Professions – Focus on Clinical Psychology*, Department of Clinical Health Psychology Max Rady College of Medicine, Ongomiizwin Indigenous Institute of Health and Healing, and Department of Psychology Faculty of Arts.  
Dr. David Danto (University of Guelph-Humber), Dr. J. Douglas McDonald (University of North Dakota), Dr. Karla Tait (First Nations Health Authority, Northern Region, BC)
- Clinical Psychology Residency, Academic Half Day (September 2019 – August 2020)  
Topics included: suicide risk assessment and intervention, professional and ethical issues with children and adolescents, professional issues in psychology, early psychosis assessment and intervention, acceptance and commitment therapy, introduction to psychopharmacology, youth forensics, genetic counselling case conferences, intergenerational trauma, clinical supervision, neuropsychological rehabilitation, Rainbow Resource Centre (LGBTQ2+ resources), Hearing Voices Workshop, issues in private practice, program evaluation.
- Sandra Byers, Ph.D. (2019, May). Sexual Wellbeing: Are you there yet?. Distinguished Speaker Series. Blue Room, Dining Centre. Calgary, Canada.
- Joshua Madsen, Ph.D., C. Psych. (2019, March). GPPP Mental Health Workshop Series: Building Strong Relationships. Taylor Institute Learning Studio E., Taylor Institute Forum, University of Calgary, Calgary, Alberta, Canada.
- Kristin Neff, Ph.D., C. Psych. (2018, August). The Science of Self-Compassion. TI 160, Taylor Institute Forum, University of Calgary, Calgary, Alberta, Canada.
- Diane McIntosh, MD (2018, April). Cannabis and the Developing Brain: Implications for ADHD. Coombs Lecture Theatre, Foothills Medical Centre, Calgary, Alberta, Canada.
- Matthew Hill, Ph.D.; Rebecca Haines-Saah, Ph.D.; Fiona Clement, Ph.D.; & Chris Wilkes, MD (2018, February). Clearing the Smoke. Forum on cannabis legalization with moderated Q&A. TI 160, Taylor Institute Forum, University of Calgary, Calgary, Alberta, Canada.
- Jody Carrington, Ph.D., Caroline Westwood, Ph.D., Heather Harding, & Melissa Adrian (2017, September). CAAMHP Connect Staff Training. B2-200, Alberta Children’s Hospital, Calgary, Alberta, Canada. [participated in one of three training sessions].
- Stephanie Cassin, Ph.D., C. Psych. (2017, September). Clinical Workshop: The Weight of the Evidence: Psychosocial Interventions for Obesity. Senate Room, Hotel Alma. Alberta, Canada.

- Owerko Centre Conference (2017, June). Finding Mental Health in Neurodevelopment. HSC Theatre One, Foothills Medical Centre, Alberta, Canada.
- Conference attendee (2017, April). Canadian Child Health Clinician Scientist Program (CCHCSP) 15<sup>th</sup> Annual Symposium. The Westin Calgary, Calgary, Alberta, Canada.
- Yannick Griep, Ph.D. (2017, January). Latent Class Growth Modelling Workshop. Social Sciences 018, University of Calgary, Calgary, Alberta, Canada.
- Yannick Griep, Ph.D. (2017, January). Latent Growth Modelling Workshop. Social Sciences 018, University of Calgary, Calgary, Alberta, Canada.
- Various speakers (2016-2017). Canadian Child Health Clinician Scientist Program (CCHCSP) curriculum. Monthly meetings with CCHCSP members. University of Calgary, Calgary, Alberta, Canada.  
Topics included: “What is a clinician-scientist?”; “Overcoming the psychological barriers to productivity in academic publishing”, “Knowledge translation”, “Negotiation strategies for academics”, Making the most of post-doctoral training”
- William MacAllister, Ph.D. (2016, December). Attention and Executive Functioning in Pediatric Epilepsy. Conference Room #2, Alberta Children’s Hospital, Calgary, Alberta, Canada.
- Rebecca Giallo, Ph. D. (2016, December). A stranger in someone’s world: Fathers’ mental health in the early parenting period. Conference Room #3, Alberta Children’s Hospital, Calgary, Alberta, Canada.
- Leora Kuttner, Ph.D., C. Psych. (2016, December). What Hypnosis Offers a Pediatric Hospital. Amphitheatre, Alberta Children’s Hospital, Calgary, Alberta, Canada.
