

ONE UNIVERSAL LANGUAGE - LOVE

by: **MARY EASTER CLAIRE S. PEREZ-TORRES**

I often ponder on life's mysteries,
Where words dance in the silence;
Where expressions transcend barriers,
And communication flows without resistance.

They say dreams belong to the dreamers,
Yet I harbor a vision for the daring;
A world where language knows no boundaries,
And understanding is a universal sharing.

A language that echoes through the cosmos,
Whispers that travel from lip to ear;
Emotions conveyed through the tightest embrace,
And prayers answered with just a gaze sincere.

Spoken from the sunrise to sunset,
Hearts intertwined, souls in harmony;
A smile that speaks volumes of sincerity,
Love, the language we all speak fluently.
