It won the Indian Telly Awards for Best Drama Serial of the Year, and Best Actor (in a Negative Role). Plot This is the story of the life and struggles of Vyom (Milind Soman), his fate, and his destiny. He is a simple and ordinary man who was brought up in the shadow of his famous father (Lal Bahadur) and the other celebrities in the village. As the story develops Vyom becomes an honest worker. He is a man who respects and appreciates his work and the people he works with. He is an honest man. A man who is hardworking and straight. He was looking for a good wife, who could make him complete, who is not conceited and is ready to work for her husband. But in the village he meets the girl of his dreams, Vijay, a girl who is equal to him in every respect. He soon gets married to her. But the man he married is not like the man he wished for. She is a woman of pleasure and sex, who has no regard for his mother, his family and his friend and in return he gets nothing but humiliation. The innocent woman Vyom married soon plots her ways to get him to fulfill her needs. Even though he knows she is guilty and has no love for him, he bears her insults and makes her understand that she is wrong and she can never force him to do anything. Vyom also has a friend called Raja (Mohnish Behl), who is a middle class boy with no family or parents. His life is full of despair as his father was a drunkard and he is living with his mentally ill mother. But one day a girl named Kalyani (Gurdeep Narula), who is the same age as Raja, comes to Raja's school where she ends up staying at his house. The two boys soon fall for each other. This love soon turns into love. However, as soon as Vyom and Kalyani realize that they love each other they are helpless as society doesn't permit their love. The climax of the story is in the end when Vyom finally realises that he is bound to the destiny he had not known about. Vyom and Kalyani are happy. After many years, Vyom's sister Meenakshi (Ila Arun) comes to stay with him. Meenakshi is in love with Vyom. But Vy 520fdb1ae7
