Maze Runner was written by James Dashner, who is an American author. This is a series of books that have become very popular among young readers. This series tells the story of the devastation of the solar world The genres of this book range from adventure and science fiction to young adult fiction. Maze Runner's book summary begins with a few teenagers. They call themselves gladers because they're in a place called Glade. There's a maze behind Glade that's constantly changing. There are terrible creatures in a maze called grievers. A new Glader is added to the group every month. This rookie's name is Greenie. The Greens don't have their past memories. They only remember their names, and the bugs follow the Gladers. The whole story of the book revolves around gladers who have to find a way out of the maze. He goes looking for an exit every day, but the maze changes every day. Their journey from the maze becomes much more interesting when Thomas comes to the maze. When he arrives, many unusual things begin to happen in the maze.
