[Verse 1]

With a purple umbrella and a fifty cent hat
Living, loving, she's just a woman
Missus cool rides out in her aged Cadillac
Living, loving, she's just a woman

[Chorus]

Come on, babe on the roundabout
Ride on the merry-go-round
We all know what your name is
So you better lay your money down

[Verse 2]

Alimony, alimony, paying your bills
Living, loving, she's just a woman
When your conscience hits, you knock it back with
pills
Living, loving, she's just a woman

[Chorus]

Come on, babe on the roundabout
Ride on the merry-go-round
We all know what your name is
So you better lay your money down

[Verse 3]

Telling tall tales of how it used to be
Living, loving, she's just a woman
With the butler and the maid and the servants three
Living, loving, she's just a woman

[Solo]

[Verse 4]

Nobody hears a single word you say
Living, loving, she's just a woman
But you keep on talking till your **dying** day
Living, loving, she's just a woman

[Chorus]

Come on, babe on the roundabout
Ride on the merry-go-round
We all know what your name is

So you better lay your money down

[Outro]

Living, loving, she's just a woman

Living, living, loving, loving, she's just a woman

Li-li-li-li-live, lo-lo-lo-lo-love, she's just a woman
