Before he can take them off, the girls return from a swimming class forcing the pair to hide in Mio's locker and for Maria to trick Basara. When Mio finds them, she attacks them in the locker, but realizes that they are there just for her safety. This removes the curse that Basara forces her to present with the help of the shower - increasing their powers. Maria meets Lars to get the information she needs. In a dream, Mio considers Maria Basara and allows Maria to strip her naked and almost pester her with a banana, only stopping when the real Basara arrives and punishes Maria. Later, Maria will have Basara breakfast with Mio's underwear. Basara is about to punish Maria more severely when Yuki arrives and immediately takes off her panties so that Basara too will eat them. Frustrated by his rejection of his panties Yuki strips naked, but Mio wakes up and conquers Basara and Maria with his lightning. At school Basara visits Chisato to treat a small incision, but she wears only a swimsuit she can not remove because of a broken zipper. Basara manages to open the zipper, but accidentally exposes her breasts. Instead of getting angry, she invites him to dinner after school in her apartment. After cooking for him Chisato is curious Basara's physical relationship with Mio and others, and asks him to hug her what he does while happily claiming that her cooking reminds him of how mothers' cooking should taste, although he can't remember his own mother cooking. Chisato insists the basar bathe until she washes his clothes so he won't smell like her when he gets home. Hasegawa ends up giving Basara his first kiss, to which he readily responds when they seem to have sex. However, Basara suddenly wakes up confused with his head on Chisato's lap, who claims that he lost consciousness with excitement, although Basara appears only vaguely able to remember being in the bath with her. Basara then disappears his sword and again quickly brings his sword and slash quickly, removing it from the shell, his special attack. Leohart dodges, informs him that it will no longer work for him, telling him that he should not have used it on The Galda. Elsewhere, in the moderate faction region, Jin took a nap in the woods, and an unnamed woman asks if he is going to watch his son's match. Jin replies that Basara at most has only a 20% chance of winning his battle/match. After beating Leohart, Basara falls directly into the lava in the middle of the battlefield. He holds the pill in his left hand, recalling the scene when Shell gave it to him, telling him that he could use his real powers, but he would rage without control. Before falling into the lava, he swallowed the pill. Leohart, thinking that the match is over, begins to leave, but stops after a few steps, feeling some danger stops. Awakened Basar comes out of the lava, and the battle resumes, but now it is completely one-sided. Leohart can not attack Basara and begins to suffer from injuries. But Basara begins to pay the price of this fury as blood shoots from all over his body. After seeing this Toujou family members worry and Mio quickly rushes to the aid of Basar. Before Lucia can stop Mio, Yuki stops Lucia, realizing that now only Mio can enter the battlefield as the daughter of the previous Lord Demon. Mio reaches the battlefield, but falls into the trap of visions in the mind of Basara. Realizing this, she begins to look for the current location of Basara in his head, when she encounters the memory of zolgia. Defeating him, she reaches Basara's location and allows him (in his frantic form) to attack her. Shortly before his attack can land, he stops with his left hand and destroys the glove on his hand (not the sword). Still not quite normal, he rips apart Mio's clothes and lusts for her. Finally back to normal, Basara and Mio land on the battlefield before kneeling Leohart. Basara offers him a hand to stand up. As they begin to attack all around, Lucia leaves the watch/surveillance room informing them that she should be around Ramusas. One of the Heroic Spirits attacks the spectators at the stadium near the positions of Yuki and The Council asks the unnamed demon to stop the Heroic Spirits because Chaos does not stop calling them. The council is indifferent to this and kills the demon, while Admirot noticed that he had gone somewhere. They decide that as long as they are safe there is nothing to worry about. Calling it a test before you go against the gods and angels. As chaos attacks the trio of Basar, Mio and Leohart thinking they will be made soon, and that other heroic spirits will also kill Ramus by solving all their problems. The Chaos attack has been neutralized by Basara, and the Council understands that it is because of his power to banish the shift. 10Last of what needs to be doneTranscription: Hatasubeki ishi no atosaki (Japanese: 果たすべき意思後先) December 11, 2015 (2015-12-11)TBA Basara, Mio and Leohart take refuge in a damaged building, hiding from Chaos, the king of heroic spirits. There is an offer to escape from this place, but Leohart informs them that Chaos is struggling, bringing many many heroic spirits, and they must destroy the Demon Kingdom. Ramousas still holds Chaos, Leohart to use all his forces to distract and attack Chaos, Mio attack, and Basara announces that he will free all 3 of his limiters. While Mio and Leohart deal with Chaos, Basara uses the pills given by Maria's mother earlier to remove his limiter and sends Chaos to another dimension, using his exiled shift in a tried-and-tested form. It releases its awakened form immediately after use. Yuki and Lucia are ready to fight against Admyet, who wants to kill them. They are close to Kurumi and Maria, who have received medical treatment. But Adm unsure releases poisonous gas from his spit even before the fight, not letting them know. Due to the fact that Yuki is a hero, inhalation of poisonous gas is especially harmful for her and takes away her strength. When they both cannot continue the fight, Adm unsure approaches Kurumi to kill her in front of his sister, Yuki, and then intends to kill Maria in front of Lucia. Just when he attacks Kurumi, his hand is chopped off by Maria, who wakes up. She is very angry that Admirot attacked Yuki and Lucia there and tried to kill Kurumi in front of her. Kurumi also wakes up, and Adm're attacking Admirot. They had not been hit by gas masks earlier as they had oxygen masks on them preventing the poison from entering their body. She loses consciousness when Lars comes and attacks the Heroic Spirit. He destroys the Heroic Spirit, saving her and the child. Although his mask gets destroyed during the fight, he doesn't wear another one. Leaving two of them in a safe place, he leaves. Jin and Lala speak of their common intentions to destroy the Council. Lala calls Gene the God of War. After their initial standoff, Lala reports that she currently does not exist to fight him. She says his son (Basara) inherited his blood and so has so much power. When she proposes to kill Basara, Jin and Lala gather their power for battle, but are interrupted before they dare Basar. Seeing him suddenly, Lala is surprised and smells of it. She then walks away, commenting on the smell. Jean tells Basare that she is Leohart's older sister, and she killed the board alone in an instant. Lars thinks about the time before the match as he went and helped Basar reach the areana for his battle against Leohart. Ramousas and Jin also discuss these events. Ramousas reports that after Belfegor's death, shadow interference with the Council will cease, and no one will cause them problems immediately for a while. Ramousas comments that Gina's son changed the entire history of the Demonic Kingdom only for the sake of his sister. Lala, Leohart and his supporters are at the Belfegor home, where his body and the scene are being investigated. Lala lifts the lid over Belfegor's dead body and smells like Basar, and she realizes that Basar is a very dangerous man, as if he cared about Belphegor (alone) and so there was no reason to fight Leohart next, he still went and fought Leohart showing his strength. 11 (OVA)Tojo Basara completely peaceful everyday lifeTranscription: Toujou Basara no Shigoku Heiwa on Nichijou (Japanese: 東城刃更至極平凡な日常)January 26, 2016 (2016-01-26) Title Original Air Date Refs. 1Saint Sisters New Devil's Departuresranscription: Shinmai Maou did not covenant departures (Japanese: 新妹魔王契約者 DEPARTURES)March 28, 2018 (2018-03-28) after Basara saved the realm of demons, the elders of the hero village heard about these events and agreed that Basara had become a potentially dangerous enemy.
