

## Women with Purpose

**March 20, 2024**

**Lana Ciolkosz**

**Balancing Act - Family,  
Faith, Business**

As a mom of 6 children between the ages of 10 and 19, as well as the owner and manager of Aroma Florist and Aroma Café along with her husband John, we have to ask, “How do you keep it all together and running smoothly?”

It certainly is a “Balancing Act” and Lana believes that each day, season, and year comes at us full of opportunities and choices. How do we balance it all?

Lana comes to share how over the years, God has helped her to see what it is He wants in her life and what His balance looks like. Please join us as she shares her story with us.

Mentor Chippewa is a local non-profit that works closely with local schools to bring school-based mentoring programs to students while offering the opportunity for adults to connect with youth in a safe setting.

Kids are valued, right where they are. School can be tough, and mentors can help tough days go better! Youth benefit from having a caring adult in their lives to help them realize that when days go better, years go better.

Mentoring matches meet one-on-one during the regular school day, one day a week for 30 minutes.

If you have an interest in helping kids realize their full potential and become empowered members of their community visit the website and be sure to come to our March 20<sup>th</sup> luncheon to learn more.

Visit the website at:

Women with Purpose can donate online at registration or at the March luncheon.

**Thank you for your generosity.**
