P.R. Ramachander Sundar Kanda Mahatmya was docked to Parvati Shiva. Parvati asked: Oh, God of all beings, I would very much like to know from you, the majesty of Sundar Kandah in detail. Sri Parameshwara replied: I would summarize the greatness of Sundara Kanda for you, because only the great Lord Ramachandra can tell you in detail. Just as the God Rama is the greatest among the Virgins, just as the Kalpaga tree is the greatest among the trees, just as the Kousthubha gemstone is the greatest of gemstones in Ramayana, Sundar Kanda is the greatest chapter. Reading or listening to Sundar Kanda with devotion, all desires are fulfilled, all dangers will disappear, all diseases will be cured and all kinds of wealth will grow. This is especially the greatest panacea for those who suffer from great diseases. Even diseases such as tuberculosis, leprosy and epilepsy, which cannot be cured even by divine medicines, will be completely cured by reading Sundar Kanda 68 times at the mercy of Mr. Ramachanda. Please hear his greatness, which I tell you with attention. Please listen, the next ancient story tells the story of Sundar Kandah's greatness. There was a great city called Kanchipuram in the land, and it was once ruled by the Chol dynasty. Among these kings was a great king named Vamsankara, who lived with his wife Manorama, he gave a lot of charities and made fiery sacrifices. It was dedicated to the great temple of the city, which included the great temple of Kamaksa and Ekamranata and the temple of Varadara and ruled the state with efficiency. Unfortunately, he was not blessed with children. Coming out of the Kamakxi temple, he saw the great sage enter the temple. He worshipped the sage and, when asked, introduced himself. The sage asked him how he could help him, and the king asked him to bless him to become a father. The sage said to the king, In the previous birth, you were a brahman saint who lived in Rameswaram and worshipped daily in the temple. As a result you were born as the king of this country, unfortunately in your previous birth, you did not allow your daughter to join and become a mother because of some kind of family conflict. That's why you're not able to become a father. He then asked the king and queen to observe strict repentance, to give gold and silver as charities to the Brahmins, and to worship Lord Vishnu and Lord Shiva on a daily basis. The king and queen followed his advice, and as a result they had a good son. They named him Balachandra and the prince grew up as an extremely scientist and capable man. When he became old, the king decided to give his kingdom to his son and make it his successor and go into the woods. Unfortunately, the terrible disease of tuberculosis suffers Balachandra. In spite of the treatment of the world's leading expert physicians and the prince's daily prayers were not cured. When the king and queen were terribly worried and did not know what to do, the sage, who had previously blessed them with a child, again came to this city. The king and queen fell at his feet and asked him to cure the prince's disease. The sage said, In his previous birth, your son stole materials ready to worship Rama and enjoyed life, and that is why he is cursed by this disease. But later, realizing his sin, he read Ramayana daily and worshipped Rama, which is why he was born to you. I would like to tell you how to get rid of the consequences of this sin. The king thanked him and wanted to know in detail what should be done. The sage replied: Build a decorated Yaga-sala and build a square platform in the middle. Spread white silk cloth at this stage. On this cloth, spread six measures paddy and on that half the amount of raw rice. On this hold a golden vessel of one pound of silver, full of pearls. Cover that ship with silk cloth. On this hold the gold plate in which Sri Rama Yantra draws. A golden statue of Sri Rama, accompanied by Sita and Hanuman, is being held above it. Worship of this statue with the help of Rama Sahasranamawali. Then read the full Sundar Kanda. This worship and reading should begin early in the morning and end at noon. A non-fading ghee lamp should also burn for 68 days, and the aforementioned procedure should be repeated 68 times. Every day the Paiais must be prepared and offered to God Rama. While this is best, completing a repetition 68 times can also be done within four months. It is best for the man himself to read Sundara Kanda, and it is the average effect if he got to read a single brahmin, and worse if he got to read many Brahmins. After completing the above, Yudha Kanda must be fully read either for 5 or 6 days. All 73 days, in the evening the great scientist has to retell the stories of Sundara Kanda. This will cure even diseases that Asweini Devas (Doctors of the Gods) cannot cure. It can also help you win the war or even help you in gaining occult strength, if your son does so, his illness will definitely cure. Then this sage disappeared. The king performed the aforementioned service, and the prince himself read daily to Sundar Kanda and completely recovered from this disease. Hey Devi, just reading Sundar Kanda 68 times the prince was cured of a terrible disease. There are also many others who got rid of their illness by reading Sundar Kanda. So even if a person is poor or physically unable, he must watch Vrita Sundana Kanda and benefit. There are other methods of reading Sundar Kandah.
