

# ***Introduction Script***

*This is a brief intro script for Aeton's engagement.*

*Please feel free to use this script to introduce him to the stage in place of a bio, if the type of event matches.*

Our next speaker is a multi-hyphenate, who walks between multiple worlds.

He speaks to audiences globally about innovation, strategy, transformation and board governance.

He serves as a strategic analytics and insights, innovation consultant and advisor at global powerhouse NielsenIQ across different continents.

He is a multi award winning thought leadership expert in the world, and Global Greenbook Honoree within the insights industry.

You may have seen him on LinkedIn or in various communities including Singapore Institute of Directors, American Chamber of Commerce, Greenbook and ESOMAR.

Please welcome to the stage, Aeton Lim!
