Soror JoNetta Terry, Basileus, Presiding

LEO, you had a very busy February!!

We celebrated Pink Goes Red Day by practicing CPR skills to Stay Alive, and you wore Red and posted pictures to social media. If you were not able to attend the CPR training, I hope you enjoyed the video of the demonstration that was posted in GroupME.

You attended our 2nd Annual Pink Goes Red: Heart Awareness Program at the Gadsden Mall.
You helped raise over \$5,000 to donate to the American Heart Association.

You partied with DJ Chocolate and helped raise funds to support our HBCU initiatives.

You donated gently worn shoes that were shipped to Souls 4 Souls.

You knocked down pins at Bowl for Kids Sake

And before you left to attend the 88th South Eastern Regional Conference you celebrated Black History Month by creating art projects with the children at Shea D's Successful Learning.

Sorors you are outstanding and it showed at the Regional Conference as Lambda Eta Omega showcased its support of our International Programs and also won the Walker-Rigsby Collaboration Award for our work in 2019. I'm so Proud of you Sorors!!!
