Public Announcement

As Ghana advances towards a more connected nation in delivery, Ghana Post is championing the connection to every location in the nation. Delivering your important mail and packages to your home.

We are pleased to inform you of Ghana Post's Initiative to **supply every home with a Scuttle Box.** Each box will **contain a digital address** of the location on it, at their home front. The box can take both mail and small parcels which will be securely locked and accessible only to the keyholder (you).

We are providing a box to every home in Ghana and yours is next!

Call **030-298-7135** or go to **www.myscuttlebox.com** to request your 15minute installation.
