Prison jobs and hiring in search of work in a correctional facility? Is there previous experience? Did you work at a correctional facility in your previous job? If so, check out: Wasco State Prison Jobs Back to the main menu of the official website: Wasco State Prison site Victims' Resources Important Note: If you, or someone you know are in immediate danger, call 911. The Victim's Rights Act gives victims the following rights: You have the right to be protected from the accused. You are entitled to notice. You have the right to attend the trial. You have the right to speak at a criminal justice trial. You have the right to consult with the prosecutor. You have the right to restitution. You have the right to a speedy trial. You have the right to a fair, dignified and respectful. The definition of the victim includes: the spouses and children of all victims. Parents and guardians of underage victims. Parents, guardians and siblings are mentally or physically incapacitated victims or murder victims. Foster parents or other caregivers, under certain circumstances. There are a number of services and programmes designed to help victims and their families. You can find out about these services by contacting the court or local law enforcement. The Victim Notice System by the Ministry of Justice (VNS) presents it with a system that provides victims with information pertaining to their case and/or any defendant in the case. You will receive a victim identification number (VIN) and a personal identification number (PIN) that will allow you to access VNS online or over the phone. Here you will find information about future court hearings, historical court events, as well as details about the defendant. This will include criminal charges, prosecution results, sentencing, place of detention, projected release dates and any other information on release. VNS is updated daily. You will also receive any current information by mail or email. Have you, a family member or friend ever used a victim notification system? If so, is it effective? Did you get the information in a timely manner? Was it difficult to use the system? We would love to hear from you, so please post any comments here.
