Seller Inventory and US_9789339221935 more information about this seller Contact this stock seller Alfred Brown, Heidi Smith Published by McGraw-Hill Education - Europe, USA (2014) ISBN 10: 0073402419 ISBN 13: 9780073402413 New Spiral Linked Number Available: 1 Book Description of McGraw-Hill Education - Europe, USA, 2014. The spiral is tied. Condition: New. 13th edition. Language: English. A brand new book. Benson's microbiological applications have been the gold standard of laboratory microbiology manuals for more than 30 years. Independent, well-illustrated exercises and a four-color format make this an ideal laboratory guide. Suitable for majors or non-majors laboratory course, this guide suggests no previously organic chemistry has been adopted. Use McGraw-Hill training solutions to ensure that this guide meets your exact course needs! Add or remove exercises, include your own material, retell to fit your course - the possibilities are endless.
