CLUB

GUIDE

2026-2027
School
Year

2026-2027 SCHOOL YEAR

GETTING INVOLVED IN CLUBS AT OLSM

Participating in clubs is one of the best ways to make the most of your high school experience! By joining, you'll meet students from all grade levels who share your interests, build new friendships, and strengthen your leadership skills. Plus, active club involvement looks great on college applications and shows that you're engaged both inside and outside of the classroom.

Starting a club at OLSM

At the beginning of each school year, students may apply to start a new club during the designated application window. All clubs require administrative approval. Please note that new clubs can only be formed at the start of the school year. Mid-year applications will not be considered and must wait until the following school year.

Interested in joining a club?

Contact the appropriate people listed under the club you have interest in to get information. Monthly club meeting calendars will also be sent at the beginning of each month.

QUESTIONS?

Please contact:

Candace Castiglione, *Director of Enrollment and Student Activities*

ccastiglione@stmarysprep.com

CLUB GUIDE 2026-2027
