The series began publishing in Media Factory's Monthly Comic Alive magazine from September 2009 to September 2010. The story is based on the same set as Atto's former work, Toko-toko & Yume no Yume. The adaptation of the 12-episode anime television series Silver Link aired in Japan between October and December 2013 and was licensed by Sentai Filmworks. The second season of anime aired between July and September 2015. The anime film premiered in August 2018, with the third season of anime due to premiere in January 2021. The story takes place in the village town of Asahigaoka, a place that does not have many amenities that people from the city are accustomed to. The nearest shops are a few kilometres away, and one of the local schools consists of only five students, each in the second grade of primary or secondary school. Hotaru Ichijo, a fifth-grader from Tokyo, moves on to asahigaoka branch school and adjusts to life in the countryside with her new friends. Characters Main characters Hotaru Ichijo (一条 蛍, Ichijō Voice: Rie Murakawa Hotaru is a fifth-grade student who is transferring to an Asahigaoka branch school in Tokyo for her father's transfer to work. She is quite tall for her age and is in love with Komara to the point where she often sews various stuffed komari dolls to decorate her room. She had come to Asahigaok several times earlier when she was younger because her relatives live nearby. Renge Miyauchi (宮内 れんげ, Miyauchi Renge) Voice: Kotori Koiwai Renge is a first-grade student. She likes to greet her friends by pronouncing Nyanpasū (Meow-ning), a meaningless phrase, and she plays the dicator. Although she generally acts as if she is years old, she is often quite perceptive. It adds superfluously n at the end of sentences as a verbal tic. She's Hikage and Kazuho's little sister. Natsumi Koshigaya (越谷 夏海, Koshigaya Natsumi) Voice: Ayane Sakura Natsumi is the first year of high school. She's taller than Komari, the older sister. Rebellious and carefree, she often talks to her mother, fakes pranks on her older sister and feels bad at school. Komari Koshigaya (越谷 小鞠, Koshigaya Komari) Voice: Kana Asumi Komari is a sophomore at high school and Natsumi's older sister. She's pretty short, a fact that constantly bemoans like Natsumi often teases her for it. She has an innocent and easily frightened personality, which Natsumi often exploits. Supporting characters Suguru Koshigaya (越谷 卓, Koshigaya Suguru) Suguru is a third-year high school student and Natsumi and Komari's older brother. He doesn't say anything vocal and has very little presence other than the occasional static visual comedy. Kazuho Miyauchi (宮内 一穂, Miyauchi Kazuho) Voice: Kaori Nazuka Kazuho is Renge's older sister and the only teacher at the local school. He likes to sleep. Since all students essentially instil themselves in the classroom because of different grades, she often spends time in class napping. Kaede Kagayama (加賀山 楓, Kagayama Kaede) Voice: Rina Satō Kaede is a 20-year-old graduate of Asahigaoka Branch School who runs a local candy store. As a result, other characters, especially Renge, call it Dagashi-ya (駄菓子屋, lit. Candy Store). Her store also runs a ski rental business and mail order service. Hikage Miyauchi (宮内 ひかげ, Miyauchi Hikage) Voice: Misato Fukuen Hikage is Renge's older sister who is a first-year high school student studying in Tokyo. He also appears in the author's second work Koakuma Meringue (こあくまメレンゲ, lit. When she returns to the village, she tries to impress her siblings and friends with her trends and city-girls only to be overshadowed by Hotaru's true modern knowledge. Yukiko Koshigaya (越谷 雪子, Koshigaya Yukiko) Voice: Akiko Hiramatsu Yukiko is Natsumi, Komari, Suguru's mother. She's often strict, especially towards Natsumi, who's a lot of a swell. She also graduated from Asahigaoka Branch School. When she was a student, she took care of Kazuho as Kaede did with Renge when she was younger (according to the author in the afterword). Konomi Fujimiya (富士宮 このみ, Fujimiya Konomi) Voice: Ryōko Shintani Konomi is an Asahigaoka Branch School graduate who lives next door to Koshigayas. She's a third-year student at a nearby high school. Honoka Ishikawa (石川 ほのか, Ishikawa Honoka) Voice: Ayahi Takagaki Honoka is a first-grade student who comes to visit her grandmother during her summer vacation and befriends Renge. He also appears in the author's second work Toko-toko (とことこ). Aoi Nizato (新里 あおい, Niisato Aoi) Voice: Shino Shimoji[2] Aoi is the first year of high school to live in Okinawa and work in his family's inn. A member of her school's Badminton Club, she quickly befriended Natsumi because of their shared age and interest in the sport. Shiori (しおり, Shiori) Voice: Misaki Kuno[3] Shiori is the daughter of a police officer, younger than Renge. Akane Shinoda (篠田 あかね, Shinoda Akane) Voice: Aimi Tanaka[3] Akane is a first-year high school student, junior Konomija and in charge of flute at a brass band. Media Manga The manga by Atto has started serialization in Comic Alive magazine at the Media Factory since September 2009,[4], and has been published in 15 volumes of tankōbon since 23 May 2020. [5] Seven Seas Entertainment is publishing the series in North America.
