Lessons do take place, however, if the weather is just cold and rainy (no lightning) as water temperature is kept at 28° C (minimum) and the air temperature inside the enclosure is accordingly warm. Should the Instructor have no alternative but to cancel a class/es, the affected accounts will be credited or a catch-up class will be arranged.

The Guardian undertakes to supervise the Child at all times before and after his / her lesson, especially in the change room. Children must sit quietly outside the enclosure and wait for their lessons and are not permitted to run around making a noise as this causes a disturbance to the neighbours. The Child must not run around the pool surround and may not enter the water before or after a lesson without the Instructor's permission. NO CHILD MAY BE DROPPED OFF AND LEFT UNATTENDED AT THE PROPERTY. Children must not be dropped off early for lessons and must be collected promptly at the end of their class. The Guardian undertakes to accompany the Child to the toilet.

12. For hygiene reasons, the Child must always wear a swimming cap. Parents need to ensure that caps are correctly placed on child's head before her lesson begins. Parents need to please assist one another to put the caps on. Should a child arrive at lessons without a swimming cap, a cap will be provided for the Child and the Guardian's account will be debited. We do not provide "loan" swimming caps due to hygienic reasons. Should you forget your swimming cap one can be purchased from us. Swimming Nappies are compulsory regulation swimwear for infants and toddlers (ages 6 months to 3 years). These can be purchased from us. If infants / toddlers attend swimming without the Swimmers nappy, these will be provided and accounts will be debited with the nappy cost.
13. The Child must please ARRIVE ON TIME for his / her lessons, dressed in his / her swimming gear. All hair must be pushed inside the cap. Valuable teaching time is wasted when Instructors are asked to assist children with caps / parents only start undressing children at the scheduled lesson time. 14. Should the Child misbehave and disrupt a lesson/s, he / she will be given a warning by the Instructor and, should he / she persist with such behaviour, he / she may be requested to leave the class / the Swim School.
15. The Guardian accepts that, whilst all reasonable precautions will be taken to ensure the safety and welfare of the Child (or anyone accompanying the Child), swimming, water and the associated activities, equipment and surroundings are inherently dangerous and risky. In this respect, the Guardian hereby agrees that the Child (and anyone accompanying the Child) take part in the activities and lessons and enter the Property / premises, at their sole and absolute risk, and the Guardian will not hold the Instructor, any substitute instructor, her employees, agents, representatives, the owner of the Premises, or the like, liable for any personal or material injury, damage or loss suffered by the Child, Guardian or anyone accompanying the Child, no matter how such injury, damage or loss arose, and hereby waives any right to such claim to which such person may have been entitled, notwithstanding this clause.
16. Lessons are conducted in full view of the caregivers / guardians of the children, who are asked to sit outside the glass enclosure so as to keep noise to a level at which effective teaching and learning can take place. THE USE OF CELL PHONES IS NOT ALLOWED INSIDE THE SWIMMING POOL ENCLOSURE.
17. In order to give due consideration to neighbours, motor vehicles may only be parked in front of Swim Tech or in front of our neighbour's house. Please refrain from parking in front of the gates. VEHICLES NOT ADHERING TO PARKING REQUIREMENTS MAY BE TOWED AWAY AND TRAFFIC FINES WILL BE ISSUED. Guardians and caregivers are asked to respect that the Swim School is situated in a residential area and are accordingly also urged to kindly keep children quiet and under control whilst in the street and / or on the Property. If any person does not comply with parking requirements or causes any kind of disturbance or aggravation to neighbours, the Instructor will have no alternative but to request that the child concerned be removed from the School. The Parent / Guardian undertakes to ensure that whoever brings the child to swimming is aware of the requirements set out in this clause.
18. Should you not be able to attend a lesson kindly send a WhatsApp to Carolyn 083 308 9560 so that the instructor can be notified.
19. No relaxation of any of these terms by CAROLYN HURLY / the Instructor for any reason whatsoever shall be a waiver of her rights, nor will it constitute a variation of the terms of this Agreement. The Guardian hereby chooses as his / her domicilium citandi et executandi the physical address given on Page 1 of the Enrolment Form attached hereto.
