All the HoF Documents Archived on Facebook & HoFsg

I created the Household of Faith, Supporters and Friends Facebook group as a platform for people all over the world to support and contribute to the new congregation. When the number of members passed 800, I realised that many ministers from our mission fields in Asia and graduates of Bible colleges are interested in learning how to start and grow a new congregation.

Under the **albums** section of our Facebook page, I uploaded each Sunday's newsletter and sermon slides right from day one. Here you will find every weekly newsletter and sermon since the beginning of the Household of Faith's worship services in July 2017 till mid October 2020 (see screenshot on the right).

We now have a nifty mobile-friendly website with lots of storage, where you can find all future Fidelity newsletters and sermon PowerPoints.

So to find 'historical' sermons and newsletters from July 2017 - October 2020, go to our Facebook group. Take a look to see how the Lord has blessed us during the past 3 years of our existence.

To find newer sermon PowerPoints and newsletters from April 2020 onwards, go to our website at www.hofsg.com > publications and sermon right from day one in July 2017 until
