

# Public Compliance Statement

- ISEA is committed to complying with the [Statement of Guiding Principles for Fundraising](#) ('the Statement').
- ISEA confirms its commitment to the principles set out in the Statement by a statement to that effect in its 2016-17 Strategic Plan and its 2017-18 Annual Report.
- ISEA has a Fundraising Charter which is consistent with the Statement.
- ISEA will monitor compliance with the Statement and ensure reports are received regularly by the Board of Directors.
- ISEA considers the Statement when planning all fundraising activity.
- ISEA provides honest, open and transparent disclosure when fundraising from the public.
- ISEA has appointed a member of the governing body and/or a senior member of staff to be responsible for compliance with the Statement.
- ISEA ensures that fundraising staff are provided with information and training on the Statement and its implementation.
- ISEA has a feedback and complaints procedure consistent with Statement. Feedback is recorded for review by relevant staff including the Executive Director and Board of Directors. Feedback is responded to promptly and appropriately.
- ISEA ensures that all donations are tracked and recorded and comply with data protection requirements.
- ISEA is accessible to the public through readily available contact options.
