[Verse]

That's all right, that's all right, that's all right
Sometimes you feel like trouble, sometimes you feel
down

Let this music relax your mind, let the music relax
your mind

Stand up and be counted, can't get a witness
Sometimes you need somebody, if you have
somebody to love

Sometimes you ain't got nobody and you want
somebody to love

Then you don't want to walk and talk about Jesus
You just want to see His face
You don't want to walk and talk about Jesus
You just want to see His face
