

The Rolling Stones - Moonlight Mile

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Intro]

[Verse 1]

When the wind **blows** and the rain feels cold
With a **head** full of snow, with a **head** full of snow
In the window, there's a face you know
Don't the night pass slow? Don't the nights pass
slow?

[Chorus]

The sound of strangers sending nothing to my mind
Just another mad, mad day on the road
I am just living to be lying by your side
But I'm just about a moonlight mile on down the road

[Verse 2]

Made a rag pile of my shiny clothes
Going to warm my bones, going to warm my bones
I've got silence on my radio

Let the air waves flow, let the air waves flow

[Chorus]

For I am sleeping under strange, strange skies
Just another mad, mad day on the road
My dreams is fading down the railway line
I'm just about a moonlight mile on down the road

Yeah, yeah

[Bridge]

I'm hiding, sister, and I'm dreaming
I'm riding down your moonlight mile
I'm hiding, baby, but I'm dreaming
I'm riding down your moonlight mile
I'm riding down your moonlight mile

Let it go now
Come on up, baby
Yeah, let it go now
Yeah
Flow now, baby
Yeah, come on now, yeah

Hey

[Outro]

Yeah I'm coming home
Cause I'm just about a moonlight mile on down the
road
On down the road, on down the road
Yeah, yeah baby

[Instrumental interlude]
