## **[Verse 1]**

Every time I'm walking all down the street  
Some pretty mama start breaking down on me

## **[Chorus]**

Stop breaking down  
Baby, please, stop breaking down  
Stuff is going to bust your brains out, baby  
Yeah, it's gonna make you lose your mind

## **[Verse 2]**

You Saturday night women, now, you just ape and  
clown  
You don't do nothing but tear my reputation down

## **[Chorus]**

Stop breaking down  
Mama, please, stop breaking down  
Stuff is going to bust your brains out, baby

Yeah, it's gonna make you lose your mind

**[Verse 3]**

I love my baby ninety **nine** degrees  
But that mama got a pistol, **laid** it down on me

**[Chorus]**

Stop breaking down  
Baby, please, stop breaking down  
Stuff is going to bust your brains out, baby  
Yeah, it's gonna make you lose your mind

**[Verse 1]**

Every time I'm walking all down the street  
Some pretty woman start breaking down on me

**[Chorus]**

Stop breaking down  
Mama, please, stop breaking down  
**Shit** is gonna bust your brains out, baby  
Yeah, it's gonna make you lose your mind
