[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## [Verse 1]

Did you ever wake up to find  
A day that broke up your mind  
Destroyed your notion of circular time

## [Chorus]

It's just that demon life has got you in its sway  
It's just that demon life has got you in its sway

## [Verse 2]

Ain't flinging tears out on the dusty ground  
For all my friends out on the burial ground  
Can't stand the feeling getting so brought down

## [Chorus]

It's just that evil life that got me in its sway  
It's just that evil life that got me in its sway

## [Bridge]

There must be ways to find out  
Love is the way they say is really strutting out

**[Verse 3]**

Hey, hey, hey now  
One day I woke up to find  
Right in the bed next to mine  
Someone that broke me up with a corner of her smile,  
yeah

**[Chorus]**

It's just that demon life that got me in its sway  
It's just that demon life that got me in its sway

**[Outro]**

It's just that demon life has got me
