

# MASTER BUTCHER ACADEMY

**DETAILS:**

***PROJECT COORDINATION***

# 1. Learnership & Skills Program Management Services

Leveraging our more than **20 years of experience** in the industry, and working with SETA & QCTO, Master Butcher Academy offers comprehensive coordination and management services for external stake holder's accredited **Learnerships and Skills Programs**.

We partner with businesses and organizations to handle the complete administrative and logistical burden of running these programs, ensuring a smooth, effective learning experience.

## **Our Coordination Services Include:**

- **Full Program Management:** We manage and coordinate all aspects of the accredited learnership or skills program.
- **Compliance:** We ensure all training is delivered according to the necessary regulatory and accreditation requirements.
- **Administrative Support:** We take care of the paperwork and administrative requirements, freeing up your team.

Partner with MBA to deliver high-quality, impactful, and compliant training programs to your staff or organization.
