Morning	9:30-12:00																																																																		
60 min	9:30-10:30																																																																		
Session-B1 (Power)	Chair: Yasuhisa Sano																																																																		
B-1 Julie Widiez (CEA-Leti, France)	30 min																																																																		
B-2 Vladimir Odnoblyudov (Qromis, Inc., USA)	30 min																																																																		
Coffee Break	10:30-11:00																																																																		
60 min	11:00-12:00																																																																		
Session-B2 (Power)	Chair: Yasuhisa Sano																																																																		
B-3 Tomoyuki Uchida (Toray Research Center, Japan)	30 min																																																																		
B-4 Yongzhao Yao (Mie University, Japan)	30 min																																																																		
Morning	8:45-12:00																																																																		
105 min	8:45-10:30																																																																		
Preinary-2	Chair: Ryo Yokogawa																																																																		
Shogo Mochizuki (IBM, USA)	45 min																																																																		
Session-C1 (LSTC)	Chair: Ryo Yokogawa																																																																		
C-1 Toshiro Hiramoto (The University of Tokyo, Japan)	30 min																																																																		
C-2 Koji Usuda (Meiji Univ. Japan)	30 min																																																																		
Coffee Break	10:30-11:00																																																																		
60 min	11:00-12:00																																																																		
Session-C2 (LSTC)	Chair: Ryo Yokogawa																																																																		
C-3 Akinobu Teramoto (Hiroshima Univ. Japan)	30 min																																																																		
C-4 Koji Matsumoto (SUMCO, Japan)	30 min																																																																		
Morning	9:30-12:00																																																																		
60 min	9:30-10:30																																																																		
Session-A2 (SI)	Chair: Takayoshi Shimura																																																																		
A-3 Hanfei Yan (Brookhaven National Laboratory, USA)	30 min																																																																		
A-4 Nobuya Nakazaki (Sony Semiconductor Solutions, Japan)	30 min																																																																		
Coffee Break	10:30-11:00																																																																		
60 min	11:00-12:00																																																																		
Session-D1 (Info)	Chair: Remi Konagaya																																																																		
D-1 Yuta Aoki (Matlantis, Japan)	30 min																																																																		
D-2 Syota Seki (Aixtal, Japan)	30 min																																																																		
Registration open	13:30	Photo Session	12:00																																																																
Opening Remarks	14:30-14:45	Lunch Break	12:00-13:30																																																																
Afternoon	14:45-19:45	Afternoon	13:30-17:30																																																																
105 min	14:45-16:30	120 min	13:30-15:30																																																																
Preinary-1	Chair: Koji Sueoka	Session-B3 (Power)	Chair: Hidekazu Tsuchida																																																																
Koji Izunome (GWJ, Japan)	45 min	B-5 Can Zhu (SICC, China)	30 min																																																																
Session-A1 (SI)	Chair: Koji Sueoka	B-6 Slobodan Mitic (PVA TePla, Germany)	30 min																																																																
A-1 Dawid Kot (IHP, Germany)	30 min	B-7 Michel Dudley (Stony Brook University, USA)	30 min																																																																
A-2 Ryo Hirose (SUMCO, Japan)	30 min	B-8 Kazuhisa Torigoe (SUMCO, Japan)	30 min																																																																
Coffee Break	16:30-17:00	Coffee Break	15:30-16:00																																																																
45 min (3 min/paper)	17:00-17:45	45 min (3 min/paper)	16:00-16:45																																																																
Session-P1 (short Presentation for Poster)	Chair: Haruo Sudo	Session-P2 (short Presentation for Poster)	Chair: Ryota Suewaka
