Self-Guided TOUR MAP

bringing
Creativity
to the community
since 1999

The Bemidji Sculpture Walk (BSW) premiered in the spring of 1999.

It was developed by a team of volunteers working with the Bemidji Community Arts Center, now the Watermark Art Center.

Project developers intended for all sculptures to be installed outdoors in the Bemidji downtown area, from 2nd St. S. to 6th St. N. at the Beltrami County Courthouse, and from the Chamber of Commerce building on the Lake Bemidji waterfront at 1st St. and Bemidji Avenue inward 2 blocks to Minnesota Ave.

It has since expanded beyond these original boundaries, while continuing to focus on creating premiere locations downtown.

Your visits to the BSW, your support of our business sponsors and your personal donations allow us to procure high quality work and reward artists with honorariums.

Most of the art you see every year is available for private sale. The artist keeps 75% of the sales price, while 25% goes to the BSW to help with operating costs.

If you are interested in purchasing a sculpture, please visit our website or contact us through our Facebook or Instagram page.
