# THE ECONOMICS OF CLIMATE CHANGE

**HOW CULTURE HAS IMPACTED SUSTAINABILITY:  
SOCIAL JUSTICE, ENVIRONMENTAL JUSTICE, & ECONOMIC EQUITY**

Saturday, September 26th, 2020 at 7pm

*A Discussion with Madhavi Venkatesan, PhD*

Academic Economist, Environmental Activist, and Executive Director of Sustainable Practices, Madhavi Venkatesan will lead a discussion focused on the relationship between economics and sustainability: social justice, environmental justice, and economic equity, and also how our focus on economic growth has facilitated the speed of global Climate Change and exacerbated social justice issues along with the other two components of sustainability.
