

FOOD CHAIN TRADE CENTER

About Us:

At Food chain trade center, we aim to instruct our students trades that will thrust Burundi into a new era of modern agriculture, entrepreneurship, business management, and information technology. We also offer jobs to those we deem qualified for the role. If you are a student or a person looking for a job, follow the instructions below while you fill out the application. Make sure you fill out the appropriate area if you are a student or someone looking to be hired. Feel free to contact us with any questions!
