# Z8 Max 2025

## Large box truck

### Applications

More urban open roads, parks, and mining area, factory port

### Product Parameters

Model Z8Max (2025) three-door version supports long and short range

Dimensions (mm)	4040*1716*2672
Minimum ground clearance (mm)	154
Maximum wading depth (mm)	380
Minimum turning radius (m)	5.4
Maximum climbing slope	20%(11.3)
Speed (km/h)	55
Operating temperature (°C)	-30~60
Waterproof rating	IP55
Maximum range without load (km)	210/260
Urban comprehensive range (km)	150/190
Load capacity (kg)	1450/1350
Cargo box volume (m³)	10
Body color	Star Sea White / Glacier Blue
Lock type	Mechanical rod lock
Type of power battery	Lithium iron phosphate
Battery capacity (kWh)	34.8/46
Charging time (h)	●Standard:11.5h/15h①;Optional :7h/9h②/3h/4h③

①Portable charging gun 16A included with the vehicle;②Compatible with 7kW national standard AC chargingpiles,32A;③Option to purchase a separate external charger.

# Eight major service guarantees, full lifecycle management of vehicles

## Exclusive rights

Extra-long warranty

High-value guarantee

Replacement service

Free maintenance

Free on-site visit

Vehicle model customization

Free vehicle-end network service

Body Logo

## Simple operation with real-time response, solely for user experience

### Exclusive application

- Supports cash on delivery and electronic signature
- Supports point-to-point delivery and reverse collection
- Supports SMS, voice, and other notifications
- Fully visual, real-time tracking of dynamics
- Supports vehicle takeover via mobile APP

### Team on-site training

- Free vehicle delivery
  - Door-to-door delivery, face-to-face handover
- One-stop training
  - On-site guidance with one-on-one teaching
  - Combining usage scenarios, assisting in providing customized solutions, truly achieving cost reduction and efficiency increase for customers

### Professional after-sales operation and maintenance

- 24/7 online customer service
  - APP / 400-828-9282 / WeChat customer service 60s quick response
- Local rescue & maintenance - On-site service
