The great Chepokru-your-home is provided directly-8 during the global pandemic, the profits of the restaurant giant continue to be in power. It is a feeling — Bruro has been seen as their heat-catching (ma'g) broroto mecca for a long time compared to salad sains and the chapos. Customers who are coming to our restaurants — about half of our customers are still eating the same number as they already used to be, compared to Bruro. So they have not moved from the drink. Before the global pandemic, the drink was 70% which we sold and Bruro was only 30%. It's still concerned in the restaurant. Digital has always been more broro than the drink. What's going on with more and more people in the digital channel, overall the Brouto mix is growing, I explained on Yahoo's First Trade of Kafa Jack Harttton. Online orders within Brouto from Harttong Credit to increase to the arrival of new customers.
