We also have cheats for this game: Android Questions & Answers The journey from zero to Big FarmVille is quite interesting & amazing, but it takes a harsh long time. There are plenty of scammers, improvements and tips that still work on FarmVille 2: Country Escape. These will help you grow your base much faster. FarmVille 2: Country Escape is a very realistic farming game and the concept of the game is very addictive. Well, the game gained most popularity from Facebook, it was originally released in 2009. At the beginning it is quite easy, but when you start playing and leveling, you need resources to meet the requirements of cultivation. So you may have to cheat a little to meet all the requirements. Well, I'm playing a game from last 3 months & I found 10 FarmVille 2 Country Escape Cheats & Tips. Are you excited to explore amazing scammers and improvements that save you time and effort in the game? So the wait is over read all 10 tips carefully. 1. Visit Friend's Farm to earn extra XPs & Coins The simplest thing about the game, but only 2 players out of 10 know about this simple fine-tuning. You don't need to connect your Facebook account if you are playing on an Android phone. It automatically logs in with your Google Play account, so visit your friends' farm and start collecting coins and XL. But you can only use 5 friend fertilizer in one day. To do this, visit your friend's farm daily and grab all the necessary points. If you still don't have any friends, you can earn points by visiting other people's farm. 2. Update the barn only with the keys To update nave is as difficult as collecting game keys. Keys are the hardest to collect in Farmville, so it's important to use the keys at the right time. The capacity of the barn is not large enough to collect this many crops. So, be sure to use keys to update your keys. This will help you store a large amount of fruits and vegetables in your store. Using this Farmville 2 country to escape cheaters and tips you can easily grow a barn or bottom. 3. Watch ads for a prize on the projector & win prizes award on the projector, which is a new thing in the game. This new thing will help you win seeds, coins, keys and XL's. There are a total of 7 ads to watch and win, the last ad gives you a bonus prize where you receive 3 different prizes. You can watch it daily and grab all the prizes. All ads are skippable, you don't need to install anything or query. Check the prize projector daily. 4. Golden gloves are very useful Crops take too much time to grow or complete the task. gloves are an interesting fact, you get gloves from the prize wheel. Tough, you're excited. you're excited. complete tasks in one click. But wait, this will reduce the growing time by 10 minutes, which is very useful for saving time. You can earn golden gloves daily from the prize wheel. 5. Connect facebook account & get 25 keys [free] As I said before, Keys are the hardest thing to earn in the game. FarmVille & Zynga also knows and gives us 25 free keys if we connect our Facebook account to the game. This is one of the easiest ways to collect 25 free keys. So, what do you expect, connect your Facebook account today. You can use these keys for any task, but one of the best burdens to use it in a barn. 6. Daily bonus prize One of the new things available on FarmVille 2: Country Escape is the daily bonus prize. This prize package offers coins, gold gloves, keys and seeds. You can explore the prize box in 7 hours, so this is one of the best burdens to collect coins and everything. There are a total of 5 boxes and in the last one you get a huge box. You can get rewards higher and higher when you open prize boxes all the time. This Farmville 2 country escape cheat will help you a lot if you play it daily at least once. 7. Collect daily spin daily tour will help you overcome various things like fruits, vegetables, keys, coins, locks, treasures, etc. But there's something you have to take care of. You have to open daily spin, as the name suggests daily spin. So, if you study the spinner on a daily basis, this will make you more of a valuable prize. One of the best FarmVille 2 country escape tips and tips for free rewards. 8. Sell & buy crops from Farm Stand Another useful thing in the game is Farm Stand, where you can sell or buy a variety of plants. You can also set the price of the crop, so it is very useful for price increases and crop sales. If you need a harvest immediately to do any task, you can buy the crops from the farm. FarmVille 2 country escape Advance Tip: Don't sell the crop that will help you complete the task. 9. Time is the key to performing tasks faster well, this fine tuning is one of my favorite hacks in the game. This scam will help me do any task in just a few seconds. Do you know that the game's infrastructure works on your phone's watch? So, if you change the time on your phone, you can do any task in seconds. Let's say grandma Glade takes 15 minutes to complete the task, you need to change the time from the system clock to 15 minutes later. Then the mission will be completed quickly. Pro tip: But there's a problem if your phone has changed the time automatically, it will take more time to complete the task. 10. You can use real money Real money is also the way you can do a lot of tasks. only a few users can spend real money on the game. If you are going to do so, you need to check the offers where you can see The offers for Keys are amazing. So you can buy a Keys package, this will help you grow the farm. Conclusion If you play the game for a long time, you already know one of these Farmville 2 country escape cheaters and tips. The list of FarmVille 2: Country Escape scammers isn't this small, there are some other improvements available, as can you also use Twitter to win prizes, speed seeds, grandma Glade and other tasks. If you have any doubts about these tips, please let me know in the comments section. Also, if your friends also play FarmVille 2, share these improvements with them.
