I just want to start off by thanking you for allowing me the opportunity to receive this scholarship. Finding ways to pay for college is very tough especially since the expenses overall can really add up. I want to thank you for this scholarship and allowing me to worry less about my finances and focus more fully on my studies and pursuing a career in my field of interest. Being a first generation college student this means so much to me especially since I can feel more confident and continuing to push forward against all obstacles. Once again thank you so much.

Sincerely,
Silveria Garcia

Dear Don Pierson Memorial Scholarship Fund Committee;

Hello and good day I hope you and yours are staying healthy and being safe during this time. Upon the opportunity to renew my scholarship, I would like to express my sincere gratitude towards your generosity, without which I would not be able to continue my education. Thank you for putting the necessary work to provide financial assistance to students like me. The pandemic situation has impacted me personally, I stopped working as an Uber driver, and it is of great help to renew my scholarship. The financial assistance will help me focus on my goals without any distractions regarding my financial status at the university. Thank you very much for awarding me this scholarship and the opportunity to renew. If you need to reach me, please do not hesitate to call me at 520-220-6150 or send me an email at ggamezco@asu.edu. Thank you very much.

Sincerely,
Guillermo Gamez Cordova
