In a world of many faces,

Sociology has its place.

Examining how individuals live,

Recognizing the value they give.

From households to society wide,

It looks at how we all abide.

Social roles, customs, and culture

Forming goals and lives in the future.

Inequality it brings to light,

Supporting our efforts to do what is right.

Through research and analysis keen,

Building bridges, breaking unseen.

Thus keep in mind, in this large scheme,

Sociology reveals the human team.
