Large backlit display with soft-touch button interface. Precise temperature control of +/-1F with auto change from heat to cool. Energy Star rated 5-2 programming with 4 programmable periods per day. Programming for weekdays, plus weekends. Compatible with heating and cooling systems. Honeywell RTH2310b 5-2 Day Programmable Thermostat is an easily read and programmable solution for accessing all of your heating and cooling options. An abundance of optimization and energy spending can be completely avoided with proper use of the Energy Star-rated 5-2 programming schedule. Pre-set your weekday and weekend temperatures. The extra ability to make changes between 4 programmable periods per day further enhances your optimization options and ways to cut energy expenses. The sleek and compact design of this thermostat allows it to be installed in almost any setting. A blue backlight has been installed and can be easily read in poorly lit halls and rooms. Warranty: 1 year limited warranty. Product Size (LxWxH): 8.5 x 9.5 x 1.25 inches Write a customer review average score 1 Review Based on review: 08/30/2011 By Dennis F. Martin I called Tech Support to see which thermostat orders after buying 2 inconsistently at Home Depot. Tech proved to be very helpful. The products worked great and were easily installed in 1/2 hours. I felt eAccess was one of the most professional buinesses I've dealt with on-line. He took note of the note I wrote on-line and called me for clarification. The tracking process was No. 1 - completely satisfied and happy at this point. You can qualify for volume pricing discounts if you are interested in ordering large quantities of items. Volume discount pricing is a great way for customers to make big savings on large, bulk orders of most items available in our store. Please send a bulk order request to our friendly sales staff so they can make a quote and provide personalized service for your order! You will receive a response within 1-2 business days and our office hours are Monday to Friday, 8am-5pm via CST. We make it as easy as possible to ensure that you have the lowest price available; tell us which products and quantities you are interested in. Get a detailed quote from a dedicated sales representative. Our warehouse ships directly to you. You enjoy savings and are now a favorite customer.
