GOAL

Keeping You Concentrated on the ones That Matter the Most?

Why ATWXSTREAM?

Social & Physical Distancing Due to the scourge of the ravaging pandemic, In public health, social distancing, also called physical distancing, is a set of non-pharmaceutical interventions or measures intended to prevent the spread of a contagious disease by maintaining a physical distance between people and reducing the number of times people come into close contact with each other.

That's where we come in...bridging this isolation gap digitally.
Availability and Large Audience Reach Due to the new normal brought about by the spate of COVID-19, artists, event planners, entertainers who hitherto may not be able to leverage on their huge social media following and fan base, now have an opportunity to reach directly to them and get paid doing this....we bring your events to the audience on the devices wherever they are in the world.

Affordability Due to the wide audience that are not geophysically constrained, location finance limitation erased, shows and events can be made much affordable leveraging further earnings on their wide social media following.
